

Primping at the County Fair

Preparing animals for the highlight of the summer is a lot of work, just ask Clara Steinert of Saukville, who sprayed down one of her sheep at the Ozaukee County Fair in Cedarburg last week. The 155th fair showcased some of the finest animals in the county, from a 1,242-pound grand champion steer to little bunnies and chickens, not to mention delicious food like sweet corn and cream puffs.
