## Ozaukee 4-H Hall of Fame Inductees

November 14-16, 2014 was the 4-H Fall Forum in the Wisconsin Dells. As part of the centennial celebration at the forum, there was a ceremony to induct new members into the Wisconsin 4-H Hall of Fame. The Wisconsin 4-H Hall of Fame was established to recognize 4-H volunteers, financial supporters, staff and pioneers who made major contributions to 4-H at the local, state and national levels.

Congratulations to the 2014 Laureates from Ozaukee County who were recently inducted into the Wisconsin 4-H Hall of Fame: Milton "Pa" Schubert, John Brunnequell, and Mardell Glander.

### Milton "Pa" Schubert

Milton Schubert was affectionately known throughout the Ozaukee County 4-H program as "Pa"; his influence spanned decades and impacted hundreds of children. Pa was passionate about the International 4-H Youth Exchange program because he had an experience with exchange programs. He quickly found out the program cost would be too much for the 4-H member and their family. It was from there the idea of a 4-H Foundation in Ozaukee County began: it would be a way to help 4-H members experience a once-in-a-lifetime opportunity. Pa passed away before he saw the results of the program. Many other 4-H leaders nurtured and grew both programs. His philosophy working with youth was a foundation block for the whole program. Many of the people who helped grow the seeds that Pa planted were his 4-H members who continue in the program as adults with families of their own.

## 4-H Hall of Fame Ozaukee Cnty. Inductees (Cont.)

### John Brunnquell

The Wisconsin 4-H Foundation is proud to be represented by John Brunnquell in the 4-H Hall of Fame. As a 4-H member in Ozaukee County, John gained leadership and project skills that led to his success as the president of Egg Innovations. It is the largest free range egg company in the United States, with over 650,000 free range egg-producing chickens. He has been a leader in introducing cholesterol-monitored eggs and holds a patent for cholesterol reduction in eggs.

John is an active Ozaukee County 4-H leader who developed their largest fundraiser, the 4-H Haunt. He serves on the Wisconsin 4-H Foundation Board and chairs the Centennial Fund. John is helping make the 4-H Foundation more effective by growing it rapidly to do more for youth. He leads committees, works at events, & makes his own donations.

### Mardell Glander

Mardell Glander has been part of Ozaukee County 4-H since she was 10 years old. Her 4-H career started with the Lakeview North 4-H Club; after two years, she transferred to the Waubeka 4-H Club. After graduating from high school, Mardell took on the role of adult leader with the Waubeka 4-H Club and has served 50 years as a Food Preservation and Cake Decorating Leader.

Mardell has touched hundreds of young adults in her 4-H career. Though she retired from the workforce at age 61, she enjoyed working with youth too much to give up 4-H. She says there's always one individual she connects with that keeps her engaged as a volunteer. 4-H youth and alumni in Ozaukee County call Mardell an inspiration. Her talents and skills have been shared with many. Mardell says 4-H is part of who she is, and 4-H in Ozaukee County and in Wisconsin is all the better for it.

The Haunt and Jack-o-Lantern Jamboree were a success! Thanks to the hundreds of volunteer who helped unload, build, paint, act, cook, run games, tear-down, and repack, for their hard work. Both events were well run and well attended.

The Jamboree had 60 volunteers putting in a total of 225 hours of time to run the event. Thanks to Diane Pfaffenroth for chairing the event.

The Haunt involved hundreds of volunteers and months of planning. The event was attended by almost 2200 people, and the net profit was about \$17,500. Special thanks to The Chairs, Dave and Nancy Salkowski for their vision and leadership of this event, as well as many volunteers that work tirelessly to make The Haunt a success!

## Community Service in Fall!

In October, Knellsville 4-H Club members participated in one of their community service projects at their October meeting.

They painted over 20 pumpkins and donated them to nursing homes and retirement centers in the Port Washington area (Heritage Nursing Home, Ellen's Place, Lincoln Village and Harbor View) to help them get in the Halloween spirit.

The club also roasted hot dogs, marshmallows and made pizza pudgy pies over a campfire, in addition to breaking open three piñatas filled with candy. Sounds like everyone had a fun time!
