Happy New Year!

How often do we start out the New Year by making resolutions and promises that are hard to achieve, or you forget them within a few days or weeks in... This year I'd like to challenge you to set a few goals for your family's involvement with 4-H. In looking at the 4-H pledge, it ends with the words: for my club, my community, my country, and my world. What goals can be set and achieved in those areas?

For my club... you can become an active member or volunteer, attend meetings, organize a community service project or an educational outing, participate in activities...

For my community... participate in community service activities! Nothing makes you feel better than knowing you did something that helped someone else.

For my country... practice leadership. Leaders aren't born, they are grown. By growing your leadership skills, you are preparing yourself and your country for a better future!

For my world... what can you do to make the world a better place, it seems rather daunting, doesn't it? Be kind to others, reduce your carbon footprint and recycle, set a positive example for others. Easy things when you break them down.

Over the next several months there will be many opportunities made available to help you grow as a 4-H family. Project meetings will be held to grow your skills in areas that interest you. The Variety Show will help you gain confidence and share your talents with others. Camps and workshops will be planned to practice leadership skills to prepare you for the future. Community service opportunities will be available to help you feel good about doing something for others. I encourage you to get involved. In the end, you will get more out of this experience than you ever imagined, but first you resolve to continue to "make the best better."

Sincerely,

Kathy Butler

Communication Fest. Review

Thank you to all of the participants in the 2016-2017 Communication Festival! This annual festival is a wonderful way to learn and hone your speaking and presentation skills.

All youth have received or will receive a participation certificate and award for participating. Youth in the Junior/Intermediate/Senior Age Groups were awarded first, second, and third places in each category.

Cloverbuds were not judged competitively.

If you were not present to receive your award, we have given it to your club's General Leader. So please check with them if you haven't received your award yet.

National Horse Programs

Recently six members of the Ozaukee County 4-H Horse and Pony Project went to the National Quarter Horse Congress in Ohio on Oct. 19 and/or the North American Livestock Exhibition (NAILE) in Kentucky on Nov. 5, 2016.

Attending National Quarter Horse Congress (NQHC) were Grace T., for her individual demonstration and the team of Jess D., Sydni L., Anna P. and Taylor W. for hippology, the study of the horse. Grace T. did a demonstration on the Equine Circulatory System. For their competition, the hippology team placed four riding classes, answered 200 different multiple choice questions, and did a group speaking response for two questions. The team was very excited when Jess D. was awarded a top ten for individual judging. The team placed 13th out of 22 teams.

For NAILE, Jess D., Sydni L., Anna P., and Grace T. went for judging, placing classes. The girls placed four halter classes and five performance, or riding classes on a large range of breeds and riding styles. The team then gave memorized reasons, explained their placings on two halter and two riding classes. While no one was recognized for an award here, the team had the highest score for non-reasons. All of the girls worked hard for both of their competitions and thoroughly enjoyed the experiences that they had. We would like to thank the Ozaukee County Leaders Association and the WI 4-H Horse Association for their financial support; along with our parents and coaches for their help and support.

Sincerely,
Jess D., Sydni L., Anna P., Grace T., and Taylor W.

National Congress Insights

National 4-H Congress is 4-H's flagship event. For over 90 years, youth from the United States and its territories have participated in this youth leadership development conference. Congress provides youth with a quality educational and cross-cultural experience. Delegates learn about the needs and issues of youth while developing into capable, competent, and caring citizens. The event is for youth 10th-12th grade at time of selection. Maximum age 18 as of January 1, of the year of travel.

When asked about her recent experience, Gabbie B. had this to say about her trip:

This past November I was able to attend the National 4-H Congress in Atlanta. I was one of about 50 Wisconsin Delegates and almost 1,000 National Delegates.

We had the opportunity to attend workshops on leadership and networking, listen to speakers at the daily assemblies, do community service at a local elementary school or park, and explore Atlanta.

I had the unique opportunity of being a Teen Performer! I was able to sing and play piano for the delegates, advisors, and I even opened for our speaker, a Holocaust survivor.

It was an honor to be chosen for this because a lot of people apply but only about 6 get chosen.

National 4-H Congress has been my favorite 4-H trip that I've attended.

I went to the Atlanta Aquarium, dined at the Atlanta History Museum, and even saw Miss America at the Gala. I encourage all to apply for this trip and to perform! It was an incredible opportunity and it is one that I will never forget!

4-H'ers take part in Pheasant Hunt Experience

On December 4th a small group of 4-H members participated in the novice pheasant hunt sponsored by Pheasants Forever and held at Pheasants at Large.

To start off the day, there was a brief review of the hunter safety course. After, the group moved to the trap range and watched a demonstration of what a pointing dog and a flushing dog looks like. While the demonstration was going on, one of the instructors explained what each dog was doing. Once the demonstrations

finished, each participant had five clays thrown with the gun in the ready position (the gun is on the shoulder) and five rounds thrown with the gun in the two hand carry position (the gun is lower and in front with two hands holding it).

Then in small groups, people were taken to the tall grass to walk through and hopefully flush a pheasant. The majority of the 4-H members that attended were able to get at least one pheasant.

It was a great learning experience and is recommended to anyone who is interested. The event was open to every novice pheasant hunter, not just to 4-H members or youth.

2016 Fruit/Nut Sale Recap

Barb, Kevin and Brenda would like to extend a HUGE THANK YOU to all who participated and helped in any way with this year's Fall Fruit/Nut Sale. It was another success. As most of you know, we changed venues and worked with the Florida Farm Bureau Grove this year after working with Indian River Groves for more than 30 years. Our numbers were down slightly selling 468 cases of fruit, compared to 597 last year. This year we added an option to offer a variety of nut gift packs. We sold 260 nut gift packs. We have not yet received the final invoice from the Grove, but estimated profit is \$3,900.00. This amount will be split 50/50 and your club should receive their individual amounts soon. We will release final numbers once complete. We did see some spoilage with the navels and it was reported to the Grove. We always take that chance and always encourage clubs to order additional fruit for this reason. We have not had any reports back as to any other issues and hope that you were all pleased with this year's fruit.

A HUGE THANK YOU to Deanna Rychtik, Joe Roden, Donny Mueller, Jeff & Jamie Smith, Jan Dommer, the Penkwitz's and the Gierach's. The truck came in at 12:30pm, it was unloaded and sorted by 1:45pm. GREAT JOB!!!! THANK YOU!!!!

Plan to come and support the mission of the Ozaukee County 4-H Foundation! Plus it's a rollin' good time! The Ozaukee County 4-H Foundation was established in 1982 to help fund education and leadership opportunities for 4-H youth and adult programs. Since its inception the 4-H Foundation has provided financial support for:

- CONTINUING EDUCATION: Annual scholarships for high school seniors
- LEARNING EXPERIENCES: Sponsorship of state, national, and international educational experiences
- LIFE SKILLS OPPORTUNITIES: Camp counseling opportunities as well as regional workshops and conferences
- RECOGNITION: of outstanding youth through the 4-H programs highest award, the "Key Award"

More information, including Pledge Sheet and registration info are available under Countywide Activities section of the [Forms page](#) of the website.

Ozaukee County 4-H Foundation Scholarship Opportunity

The Ozaukee County 4-H Foundation will make several scholarships available for active Ozaukee County 4-H members who are in their 2017 high school graduating senior class, or one year past high school, with at least five years of 4-H club membership. Applicants must have fulfilled all 4-H achievement requirements in that year. Once an applicant is awarded a scholarship, they are not eligible to re-apply. Accredited technical and college degree programs are acceptable for application.

Reminder: No application materials will be accepted at the 4-H office. Mailing options, along with the updated 2017 application will be available on the 4-H [Forms page](#) or the [Foundation page](#) of the 4-H website in January. Please keep an eye out for details.

Wisconsin 4-H Foundation Scholarship Opportunity

The Wisconsin 4-H Foundation will award more than \$10,000 in scholarships to outstanding Wisconsin students pursuing higher education in 2017.

Wisconsin 4-H Foundation scholarships are awarded to students, based on demonstrated personal growth, development and leadership, academic performance and future educational goals.

To be eligible for Wisconsin 4-H Foundation scholarships, students must have been a 4-H member for at least one year, have a grade point average of at least 2.5 on a 4.0 scale, and be enrolled or planning to enroll at a university, college or technical school during the 2017-2018 academic school year.

To be considered for financial support, applications must be received via email by the Wisconsin 4-H Foundation on or before **March 15, 2017**. Please see the [Wisconsin 4-H Foundation](#) page for more information and application forms.
