# HARBINGER

Dear 4-H Families,

First of all, I'd like to thank all the Ozaukee County 4-H members and volunteers who have made me feel so welcome here!

You have an outstanding program in place here and the sky is the limit on where you can go from here! Thanks for letting me be a small part of it.

June was a busy month! Wow....4-H Camp, 4-H Clothing Revue, Animal Area Science Days, 4-H State Conference....and that's just the beginning.

And none of this would happen without the incredible contributions of the Ozaukee County Volunteer force! And I do mean "force"!

I saw first-hand how a dedicated leadership team including youth and adults put together one of the most memorable 4-H Camp programs in recent memory. Despite the nasty weather, the "survivors" did just that....they survived....and even prospered, in spite of some of the most challenging circumstances you could imagine at camp. Just ask anyone who was there!

And this is but one example. All the awesome 4-H Programs we are accustomed to participating in don't just happen by accident. No, they are designed by conducted by, you guessed it, 4-H Youth and Adult Volunteers!

So this month I want to take my hat off to all of you who contribute so much to make Ozaukee County 4-H one of the most outstanding programs in the state!

With your commitment, energy, and ideas, you make it all possible for the many, many young people who are the lucky recipients of your efforts.

Have a great couple of months exploring, learning and growing through 4-H!

Sincerely,

Tim Talen  
Interim 4-H Educator

### Adult Volunteer Opportunity

Ever wonder why raw meat must be maintained at a certain temperature, why it's important to wear a hat when working in the 4-H food booth, or why certain foods can't be left at room temperature for very long? Find out by becoming food safety certified!

In recent years, the State of Wisconsin has required the presence of food safety certified personnel at all times where food is being prepared for and sold to the public, even for temporary food operations such as our Clover Café at the Ozaukee County Fair. We currently have 5 leaders who are food safety certified, but could use a few more.

Leaders would have involvement in the 4-H food stand operation at the county fair. Attendance at a 1 day class would be required, as well as a test after the class. Tuition costs are funded by the 4-H Leaders Association.

If interested, please contact the extension office.

If it's more convenient, the kitchen in the youth building will be available for your use and we can supply you with large coolers, hot boxes and pans. ### **VOLUNTEERS NEEDED**

All 4-H members are asked to volunteer for at least one shift during the Ozaukee County Fair. Duties include helping in the 4-H exhibit building, activity team, food booth and/or parking cars.

Adult and youth volunteers are needed to help with the activity teams at the fair again this year. The activities will be held in the north end of the Pavilion and will include promoting 4-H, simple craft projects and games. Check out the sign up at the Ozaukee County 4-H website. Please direct questions to Diane Pfaffenroth.

Want to look at all the 4-H exhibits during the fair but never make it to the 4-H exhibit building? Why not volunteer in the exhibit building? A few more volunteers are needed during the fair in the 4-H exhibit building. See the sign up on the home page of the Ozaukee County 4-H website. Contact Patti Roden with any questions, 262.689.1838 or [rodenp70@gmail.com](mailto:rodenp70@gmail.com).

Did you participate in the 4-H Variety Show? Sign up to perform at this year's Ozaukee County Fair! Check out the Ozaukee County 4-H website to sign up for a time that works best in your schedule. If you have any questions contact Diane Pfaffenroth.

### **Food Stand Sign-Up**

What do Upham Woods Camp, the Wisconsin 4-H Youth Conference, 4-H trip opportunities like American Spirit, and certain county-wide projects have in common? Thank you for asking! All of these are generously subsidized by Ozaukee County 4-H Leader's Association fundraisers! This is a small sampling of the opportunities that the Ozaukee County 4-H Leaders make affordable for youth and families.

The Ozaukee County 4-H Clover Café will be open for business starting Monday, July 29<sup>th</sup>, but we can't operate without the help of the many enthusiastic volunteers it takes to run the food stand safely and profitably. Please take this opportunity to sign up using the online link below.

As a result of feedback received last year, the role of 'Floater' will also include floor manager duties. These duties are meant to offer oversight of the operation during a work shift, as well as to provide for a safe environment for volunteers and customers. This person will also fill in wherever needed to ensure a smooth running operation.

We are very much looking forward to working with everyone and are eagerly anticipating running our food stand in a completely new, air-conditioned environment!

Thank you very much for your past participation – we look forward to seeing you this year!

### **Call To Action...4-H Foundation Helped You... Now You Can Help Them**

Every 4-H member who has received a sponsorship from the Ozaukee County 4-H Foundation (to participate in the Tri-County 4-H Workshop, 4-H Youth Conference, Clothing Revue, Citizenship-Washington Focus, Space Camp, summer camp, other conferences and project support or was awarded a college scholarship) should sign up to take a 20 minute time slot to pull the wagon around during the county fair to help raise money for the Foundation.

Please sign up on the website

<http://www.signupgenius.com/go/4090F4AA8AF28A75-4hchange>

The wagon can be found in The Youth Building between shifts.

All 4-H members and leaders please start saving your change for a Change War Challenge during the county fair to benefit the Ozaukee County 4-H Foundation. Save your change and bring it to the fair, then look for the wagon being walked around the fairgrounds and support the Foundation! Your favorite club can earn points with your loose change and win a pizza party at a club meeting. No change in your pockets? Don't worry, paper money gives other clubs negative points. Look at how much was raised in the last five years...our goal this year is \$1,000.00 and have a new club to beat Knellsville and Lindenwood!

## 2013 4-H Softball Tournament

This year's 4-H Softball Tournament was again held at Schowalter Park in Saukville on Saturday, June 15th. I would like to thank all the teams that participated. The weather ended up being perfect for a day of softball. This year we had 4 Senior Teams and 2 Junior Teams participate. We started the morning off with the Seniors playing shortly after 9 am. We did a Round-Robin where each team played a different team once. The Knellsville 2 team was the clear winner winning all three of their games and Knellsville 1 took second. There were also teams from Little Kohler/Holy Cross and Lindenwood/Covered Bridge.

At 1:00 pm we started the Junior Tournament with the two teams playing against each other for the best out of three games. The team made up of Lindenwood, Covered Bridge and Knellsville took first place and the team from Knellsville with one player from Holy Cross took second.

I would also like to give a special thank you to all of the coaches for volunteering their Saturday to coach their teams. Another big thank you goes out to Chad Schlenvogt, Mary Bell, Roger Knepprath and Rich Bell for taking on the umpiring duties during the day and to Kevin Riemer and Alec Youngthunder for pitching to the youth in the junior games.

Lastly, I would like to thank Jan Dommer for coordinating and running the concession stand with the Knellsville club. I hope everyone had a fun day and will join us again next year.

Thank you, Janet Zausch Softball Tournament Coordinator.

## NEW FAMILY FAIR PREVIEW

The New Family Fair Preview was attended by 35 new 4-H members and their families on the evening of Tuesday, June 11th. They were introduced to the 4-H premium book and the online entry process and could complete their entries online at the event.

Tim Talen, the Interim Youth Educator demonstrated face-to-face judging and spoke about preparing for judging and the fun of the Fair as a 4-H member. Each member had a project judged in a practice judging situation and received a participation ribbon.

Families toured the fairgrounds and 4-Hers made a craft project while parents saw completed record books and could ask questions about them. Each member received a "Fair Survival Kit" made by the 4-H Ambassadors.

Thanks to the Ambassador group for their enthusiastic help with this event in all aspects from setup to cleanup and everything in between!

## 4-H CAMP REPORT

This year's 4-H camp was definitely one to remember. With a "Survivor" theme, kids participated in "Survivor Challenges," searching for idols throughout camp and earning them by doing good deeds, archery, crafts, flag ceremonies, circle dancing, and campfires. Despite the rain that hit camp most of the weekend and many last minute changes in the schedule, there was an extremely upbeat camp staff who made sure everyone had the best time possible. Due to bad storms, Ozaukee County 4-H had its very first 4-H Camp slumber party!

Upham Woods, where camp is held in the Dells, proposed a new challenge to campers and staff called the Critter Conservation Challenge. To earn points, the camp had to minimize food waste at meals, limit electricity use by turning off fans and lights when leaving rooms, picking up garbage around camp, and rotating the compost bins that Upham had. Ozaukee did a GREAT job and earned the highest possible goal: Brilliant Beauty's tail feather! Only one other county has reached this level!! The Directors, Adult Staff, Jr. Director, Counselors, and Resource Staff all did a phenomenal job and everyone had a great time making memories at camp! Even with some disappointing events that occurred, Ozaukee County truly "survived!"

I pledge .....  
my hands to larger service....  
for my club, my community,  
my country and my world.

The Lindenwood 4-H club participated in a unique community service project on April 6th, 2013. They planned and painted 44 picture windows at Rockwell Automation in Mequon in celebration of Earth Day.

### Thank You From Breakfast on the Farm

*I want to personally thank every 4-Her, family member and affiliate that volunteered at the 29th annual Breakfast on the Farm which was held at Sandy Loam Dairy on June 2nd. Despite the weather leading up to the event, the day was a true success! We served 3,022 people, gave tours to hundreds, scooped thousands of scoops of ice cream, and shared the news of agriculture to all!*

*We had 250 volunteers to make it all happen, serving eggs, parking cars, handing out plates, working Kid Zone games, wiping tables, scooping ice cream, emptying garbage and countless important jobs. The entire event is not possible without all of you! Thank you so much for your efforts and time to help out the industry. We look forward to seeing you all again in June 2014!!!*

Sincerely,

*Jean Opitz*
