Tap Into It! Initiative: Tell Us Your Story!

Perhaps you have heard about the new UW-Extension initiative called *Tap Into It!* If not, here's some information about it: <https://www.youtube.com/watch?v=CF0MH04qhHQ>

Nearly 200,000 Wisconsinites tap into UW Colleges and Extension resources every day. Each one has a story—about a class that opened doors, a program that inspired, or a community partner who earned their trust. And every one of those stories can have a positive impact on the future of UW Colleges and Extension, in your hometown and all over our state.

SO WHAT'S YOUR STORY?

We want to hear Ozaukee County 4-H'er stories! 4-H youth, adults, leaders, families, share your story as to how 4-H Youth Development and UW-Extension has impacted your lives! Has your time with Wisconsin 4-H changed your life? Across Wisconsin, 4-H members and volunteers use Wisconsin 4-H to strengthen important life skills, build strong community connections and support successful futures. Tell us about the positive impacts 4-H has had on your life, from small to large! Whether it's gaining the confidence to lead a 4-H meeting, mastering a new skill, becoming inspired to follow a career path, or even making new friends, tell us about the 4-H experience you'll take with you for the rest of your life!

It's easy...simply log into the website to share: <https://uwcx.org/>

Stories shared at uwcx.org will help UW-Extension communicate positive impacts with the people who need to know about them, including legislators, county boards and other important Wisconsin decision-makers. Help us tell our story by sharing how you [#TapIntoUWCX!](https://uwcx.org/)

Arts Camp Recap

Beginning of October saw the Annual 4-H Arts Camp at Camp Upham Woods in Wisconsin Dells.

On Oct. 1 and 2 the State 4-H Arts Camp was held with the theme, "Passport Through the Arts: Celebrating the Olympics". This camp is for youth in 6th-8th grade and led by high school youth leaders. It is generally held the first weekend in October at Upham Woods.

Ozaukee County had four youth who participated as campers, two youth who participated as youth leaders, and two adults who were resource leaders.

The day began by learning the famous Arts Camp cheer! The campers then went on to participate in six different tracks throughout the weekend. The **Photography Track** showed us their Olympic strength and agility by teaching trick photography. One trick photo was how to hold another person in the palm of their hand. In the **Communications Track**, the campers participated in a blindfold obstacle course. They also learned and practiced how to interview an athlete. One thing the campers learned in the **Music Track** was the importance of the national anthems at the Olympics. They learned to sing our national anthem using sign language. In the **Arts in Nature Track**, the campers learned how to make drawings using the items they found on a mini nature walk. They also learned about various animals and how they make themselves blend in and become part of a nature scene. The **Theater Arts Track** shared how theater plays a part in the Olympics during the opening and closing ceremonies. They wrote and performed skits in comedy, tragedy, and romance. In the **Culinary Arts Track**, they first learned how to properly wash their hands and properly use hand sanitizer. The campers learned about the regions of Brazil and the foods grown and eaten there. They also learned how the Olympics handled feeding 18,000 athletes and coaches daily. They sampled six fruits and vegetables typically eaten in Brazil and then made (and ate) Romeo and Juliet sandwiches (queso fresco and guava paste), limeade, and Brigadeiros (chocolate truffles).

The campers also participated in Olympic style relay races, a counselor hunt, the evening dance-including Sally Down the Alley, and a campfire.

If you will be in 6th-8th grade next October, please consider joining us for this "FUN"tastic weekend!

2016 The Haunt Recap

We just finished a successful 10th year of The Haunt!

Last fall, Dave and Nancy Salkowski ended their leadership of The Haunt after nine amazing years to pursue their own dreams, leaving the future of The Haunt uncertain. We would like to thank the volunteers who saved The Haunt. They spent many months assembling a committee of volunteers to continue what Dave and Nancy had started. In addition to the committee, hundreds of volunteers stepped up to build, act, sell concession, sell tickets, do make-up, sew costumes, etc. It was truly a team effort! We thank all of the volunteers, both "old" and "new" that contributed to the success.

The 10th year of The Haunt continued to build on the past success with 3,312 visitors, and increase of 512 over last year. The profit is not finalized at this time, but The Haunt continues to be Ozaukee County 4-H's largest FUNdraiser! Many thanks to our generous sponsors, including Kohl's Associates in Action program who donated \$6,000 to the event. Looking forward to next year!

The Ozaukee County 4-H Foundation was established in 1982 to help fund education and leadership opportunities for 4-H youth and adult programs. Attention High-School Ozaukee 4-H'ers:

The Ozaukee County 4-H Foundation is looking for one 4-H Youth Director to serve a two-year term on the Board. The term would be November 2016 through August 2018. Applicants should be in high school. Youth Directors are voting members and can serve on all committees except Scholarship. Interested 4-H'ers should complete the application and submit it to the Foundation no later than **Friday, November 6, 2016** Applications will be reviewed by the Foundation's Nominating Committee and a final decision made soon thereafter. Application materials are found on the bottom of the [Foundation page](#) of the website.

What do you do as Youth Director on Foundation Board? We asked that question to the current Youth Director...

"During my first year as a youth director I have enjoyed working with the directors on many things including working at the Bowl-A-Thon, planning the piggy races, and helping at the brat fry that the Lakeview 4-H club won. Through these experiences I have gained leadership and communication skills that I look forward to using for the rest of my life. This is a position that does not require a lot of you but I will say the more you put into it, the more you will get out of it. There are four meetings throughout the year at Flipside in Grafton for breakfast, about two committee meetings, and two to three other activities throughout the year.

I have truly enjoyed serving the youth of Ozaukee County and encourage all high school youth to consider applying for this great learning opportunity."

Brat Fry Recap

Congratulations to the Lakeview 4-H club for the second year in a row they turned in the highest percentage of pigs at county fair and won the 4-H Foundation's brat fry. We enjoyed serving them during their annual club banquet and are looking forward to see who will win the challenge next year.

Get to Know Foundation Board of Directors!

Mrs. Mary Clausing—Foundation Treasurer

Hi, my name is Mary Clausing. I have been on the board since 2012 and have been the treasurer for the past three years. I was a 4-Her when I was young and now I work as the bookkeeper for my husband's business Ray Clausing Grading. My husband and I live in Mequon and we have six children all of whom belonged to the Lindenwood 4-H club. They were active in animal, mechanical and craft projects. We enjoyed participating in many 4-H events.

My husband and I have seen how 4-H helped our children gain skills, maturity, and confidence. When the opportunity came up to serve on the 4-H foundation I was happy to accept. Working with other board members lets me see another side of 4-H I hadn't seen as a member and parent. I would encourage any area business people and former 4-H parents to consider serving on the foundation. I feel programs like 4-H help the next generation grow to be leaders and successful adults.

Mr. Tim Kohlwey—Foundation Director

Hello, my name is Tim Kohlwey I am a Director on the 4H Foundation Board. I was asked to share a little about myself and my years in 4H. I was a member of the Covered Bridge 4H club from 4th grade through high school and held several club offices. I was involved in a few projects but mainly in dairy. My uncle had a dairy farm and let me train and show cattle at county and state fair. I enjoyed my years in 4H especially working with the animals and county fair. My least favorite thing to do was the record book. I did not realize at the time the life skills it was teaching me and how I would continue to use these skills still today. I live in Grafton am married and have 4 children and 1 granddaughter. My 3 brothers (all former 4H members) and I own Cedar Crest Ice Cream.
