Ozaukee County 4-H Leaders Association Meetings

As current president of the Ozaukee County 4-H Leaders Association, I want to invite each of you to consider taking time to attend an association meeting.

Our meetings are held 10 times a year on the 3rd Thursday of the month and held on a rotation between two locations, the Administration Center Auditorium in Port Washington and in Cedarburg at the Youth Building/Ozaukee Pavilion always at 7:30pm.

Our September meeting is scheduled for Thursday, September 19, 2013 in Cedarburg at the Youth Building/Ozaukee Pavilion. It is GUEST Night and we would like to encourage new faces to attend.

Until I had the opportunity to serve on the Executive Board, even having been a 4-H'er since I was 9 years old, my eyes were opened to what this group of great people really does. I want to make it clear to everyone that you do not have to be a General or Co-General Leader or even an enrolled project leader to attend these meetings. These meetings are intended for everyone who is involved in 4-H in anyway shape or form, so as a parent of a 4-H'er you are welcome to join, we also encourage the youth to join us.

The intent of the meetings is to keep all clubs and those involved in the program up to date as well as allow you a voice in how we do things, decisions on events, planning and preparing for events. Our Association is more than just the Executive Board and General Leaders. It is 4-H as a whole and we encourage everyone's involvement to make things happen.

As a board we have decided that we want to focus this next year on getting more people to attend and allow for more people to see what we do and become involved to the extent that they want to. I was truly impressed with the amount of people that we had signed up to help in all the different capacities this past county fair. How truly awesome it was to see the willingness to help and be a part of it all. We want to encourage this type of involvement at the meetings and I promise you will learn something new about 4-H by attending and also make many new friends.

I HOPE YOU WILL CONSIDER ATTENDING OUR SEPTEMBER MEETING and if it does not work for your schedule keep in mind that all meetings are an open invitation, watch the Harbinger for the location, Remember the 3rd Thurs of the month!!

4-H Enrollment Will Go On-Line

Wisconsin 4-H is switching over to a new on-line enrollment system this fall for all members and leaders. We will be joining 14 other state 4-H programs already using 4HOnline. Data entry will be handled by 4-H families, and because 4HOnline is web-based, enrollment information is available to your family, anytime, anywhere. 4HOnline is compatible with computers, tablets and smartphones and works well with slower internet connections. Many forms will only need to be entered once, and then just updated when necessary, like photo releases, health forms and liability forms.

WANT TO JOIN OZAUKEE COUNTY 4-H?

Enrollment is initiated by contacting one of the local 4-H Clubs and then proceeds with online enrollment using the website listed below - Please contact the general leader of the club you are interested in joining (see list below) and make arrangements to attend their next meeting.

Cloverbuds: Youth in Kindergarten through second grade may enroll in Cloverbuds.

Explorer: Youth in third and fourth grade. Youth are not required to take Exploring but are encouraged especially if it is their first year in 4-H.

4-H Membership: Regular membership is open to youth in third grade and above, through the next 4-H year following high school graduation. Youth *graduate* from 4-H when they finish high school **or** when they complete the year *past* high school. This is provided that they have completed three years of 4-H and achieved in their final year. All Youth need to sign a 4-H Behavior Agreement.

Youth are enrolled in 4-H by grade level only. The grade is determined as of September 1 of the current year. 4-H clubs promote new enrollment and re-enrollment from September 15 to November 1 each year, however, enrollment is open throughout the year, subject to specific guidelines.

Achievement Guidelines: Achievement means that a member has met the requirements of his/her local 4-H Club as well as the Ozaukee County 4-H program. Although club requirements vary, the Ozaukee County 4-H Leaders Association reminds families about the county achievement policy, which all clubs must follow:

- Attend a 50% minimum number of general meetings, or more if set by the club.
- Successfully complete each project, including attendance.
- Exhibit in each project at County Fair or by some other public display
- Complete a 4-H record book

September 15: Enrollment opens on 4HOnline at <https://wi.4honline.com>

November 1: Deadline for all new and returning enrollments for all 4-H Projects using 4HOnline. Deadline for **Livestock beef, sheep, swine**) project enrollments. **NO ADDS IN LIVESTOCK PROJECTS AFTER NOVEMBER 1ST**. Members must be enrolled in the livestock project by this date to sell livestock at county fair.

February 1: Deadline to **DROP any** 4-H project using 4HOnline and not affect club achievement. Deadline to **ADD any NON-LIVESTOCK** project. (Livestock projects add deadline is November 1st as stated above).

NOTE: Open enrollment continues for new members throughout the year, however some restrictions for exhibiting at the Ozaukee County Fair do apply.

Adult Volunteer Opportunity

Ever wonder why raw meat must be maintained at a certain temperature, why it's important to wear a hat when working in the 4-H food booth, or why certain foods can't be left at room temperature for very long? Find out by becoming food safety certified!

In recent years, the State of Wisconsin has required the presence of food safety certified personnel at all times where food is being prepared for and sold to the public, even for temporary food operations such as our Clover Café at the Ozaukee County Fair. We currently have 5 leaders who are food safety certified, but could use a few more.

Leaders would have involvement in the 4-H food stand operation at the county fair. Attendance at a 1 day class would be required, as well as a test after the class. Tuition costs are funded by the 4-H Leaders Association.

If interested, please contact the extension office.

Thank You to Helpers in the 4-H Exhibit Building

Thanks to the 4-H members and families who signed up online and helped in the exhibit building! The helpers before the fair who cleaned up and setup the displays, the clerks and judges helpers during judging make those days go smoothly.

The Cloverleaf quilt leaders and moms helped make those displays very eye-catching, and may others set up the special displays of award winning projects. Our building sitters answered questions and accepted comments while keeping an eye on things, and helped us take down displays on Sunday night and sort them out.

Another group of parents came back on Thursday and Saturday after the fair to move out the displays and clean up the building. We appreciate your help and you contributed to make it a great fair!

2013 Ozaukee County Fair Food Stand REPORT

Thank you to the many customers and volunteers who helped make this year's food stand fundraiser a success! Thanks also to the Fair Board for their assistance with facility items, as well as an unexpected electrical issue. This was the first time the new building was used extensively. As you would expect, there were a couple of issues, however, county employees responded quickly and graciously to fix them.

In our new, permanent location, we were able to offer guests a full menu, along with a spacious, air-conditioned seating area in the café. We heard from many volunteers that it was nice to have a cool, spacious place to work. A number of customers commented that they really enjoyed the expanded condiment bar, as well as the daily wraps. Of course, everyone enjoyed the great weather!

We received a number of suggestions for items to offer next year. Please keep the suggestions coming. We're always looking for input and ideas!

It takes a couple of months for expenses and credits to settle, but we're happy to report that we expect profits to be at or above our normal year over year average. The following is an approximate breakdown of items served:

462	Hamburgers
989	Cheeseburgers
162	Meatball Bombers
137	Veggie Wraps
276	Wrap of the Day
221	Chicken Salad
222	Chicken Salad
506	Hot Dog
528	Bratwurst
300	Nachos & Cheese
180	Nachos Grande
166	Fruit & Cheese Cup
132	Big Pickle
53	Candy
358	Chips
135	Gatorade
1,329	Shakes
1,475	Soda
546	Water

We have a limited supply of non-returnable brats and hot dogs for sale at or below cost. If you're interested in making a purchase, items will be available at the September leader's association meeting. If you would like to be a member of the 2014 food stand committee, please contact one of the current committee members. Although handy, you don't need to have your food safety certification to participate. Thanks again to everyone! Jean Fugate, Diane Hamm, Lori Montaine & Marcia Nosko

TRAINING SESSIONS: Demystified (Who? When? Where?)

Who MUST come to training? Brand new volunteers who have never been to an overview training before. This training explains all jobs so you get an idea of how the Haunt runs every night. (Makeup, Costume and Jamboree volunteers do not need to come to any training but are always welcome!)

Training is MANDATORY for ALL Actors and Crew every year.

Training is MANDATORY for Haunt Patrol and for Ghoulies (Adult or youth) and for Gatekeepers and for Grim Reapers who have never performed this job before.

Who does not need to be trained? Those volunteering for only the Jamboree or for Makeup or for Costumes. Those who have already attended an overview training in the past and do not fall in one of the Mandatory categories listed above.

When is training?

1. OVERVIEW TRAINING for NEW Volunteers never trained before and for first time Ghoulies, first time Gatekeepers or first time Grim Reapers (choose one session): Tuesday, Oct 1st OR Thursday, Oct. 3rd from 6:15 pm until 7:15 pm in the Show Arena

Two more volunteer opportunities for those who want to help with the Haunt but the above jobs don't fit:

1. Provide a snack at 8pm for all volunteers working every evening of the Haunt. We can provide you with the ingredients, reimburse you for the cost or you can make a donation. The real hits at snack time are mini pizzas (made on English muffins) and soup. Sweets such as bars and cookies are also popular. We have approximately 100 volunteers per evening so you can work in a group, as a club or individually. If it's more convenient, the kitchen in the youth building will be available for your use and we can supply you with large coolers, hot boxes and pans.
2. We serve a light meal every evening at 4:25 pm and this is a great way for clubs to get involved. Individuals can also contribute by providing a portion of the meal such as bread or dessert or salad or beverages, etc...

4-H ARGENTINA TRIP HIGHLIGHTS

by Mary Lubner

The ten of us (nine 4-H members and myself) met in Atlanta to get acquainted and then we flew to Buenos Aires. We did some sight seeing in Buenos Aires and then traveled to Lincoln to meet our host families. While there we visited a soybean factory, cheese factory and a dairy farm. We had an afternoon of sports and went camping with our hosts. The experience ended with a trip to Iguaza Falls, one of the new seven natural wonders of the world.

THANKS

Thank you to all the leaders and 4-H youth who helped with the youth activities this year at the fair. The activities and projects were creative and fun for all the future 4-Hers who visited the fair. Another big applause for all the performers who shared their talents on stage. Thank you again for being great role models and demonstrating to the general public what 4-H is all about!

MEET THE 4-H ANIMALS EVENT

Over 100 Fairgoers came to tour the Show Arena on Saturday afternoon, August 3rd of the 2013 Ozaukee County Fair again this year. Visitors were given “passports” to tour the arena filled with the 4-H Ambassadors and their 4-H Animal Projects. After being able to ask questions and learn more about each animal, they were given a stamp on their passport. When the guests turned in their passports, they were each awarded a 4-H Activity Award Ribbon. Another great promotional event put on by the 4-H Ambassadors, their family, friends & Advisors. Great job!

August 21, 2013

Dear Ozaukee County 4-H Families:

On behalf of the Ozaukee County Fair Board, I would like to thank everyone who helped make the 2013 Ozaukee County Fair a success. We are also thankful for the great weather, what a difference that made for our fair.

This year was the first time to use the new Columbia St. Mary's Center and the addition of Ozaukee County Pavilion, and our challenge was to integrate those buildings into the existing fair grounds. We thank everyone that got involved and helped with the planning, layout and usage of these buildings. We liked all the new 4-H club banners that helped decorate the pavilion stage area. We also felt the open class display area helped to accent the Columbia St. Mary Center. We feel that these new air conditioned buildings would have been more appreciated if we would have had some of our normally hot fair weather.

This year we asked the 4-H members and families for some additional help for set up and tear down of the fair. We really appreciated the extra help and want to thank all the people that gave of their time to assist us with all the requirements of the fair. The new layout of our grounds and buildings are requiring the need for more time and labor to get the job done. Our fair board members want to thank you again for your extra efforts and encourage more 4-H members and parents to help us to continue to provide Ozaukee County with a great county fair and keep this great tradition for Ozaukee County families!

It was encouraging for us, again, to see the 4-H members, parents, 4-H leaders, building superintendents, their families and friends come together and help set up the sheep and hog pens, chicken cages, animal buildings and the exhibit buildings. It is rewarding to the board members to see former 4-H members turn into helpful parents and leaders, and to continue with the strong 4-H tradition.

We hope to see everyone next year at the 155th Annual Ozaukee County Fair in 2014.

Thanks to all again!

Roger Boehlke

4-H Ambassador Silent Auction

I want to thank everyone who helped make this county fair Ambassador Silent Auction a success! This year we had 23 entries that participated in the silent auction. There was a lot of variety in the projects and clearly a lot of hard work put into them! A big thank you to all the Ambassadors who worked hard to get all the entries into the Auction and then advertised to the public about it.

If you didn't participate in the auction this year, look for information next year to learn how to get involved! Again thank you to everyone for supporting your fellow Ambassador Program.
