Change for UW-Extension

The regionalization structure of the nEXT Generation model continues to move forward. Area Extension Directors were one of the first steps in restructuring. Cindy Sarkady has been in her role as the new University of Wisconsin-Extension Area Extension Director for Ozaukee, Fond du Lac, Sheboygan, and Washington Counties for almost a year. The area director position is new to Extension. In the past, there were regional directors and educators in each of the 72 counties that were led by Department Heads. Area Extension Directors roles include administrative leadership of the county Extension offices, working with county boards, budgets, staffing and program prioritization of their counties. Sarkady has worked in Illinois in a similar Extension Regional model. Sarkady has held the position of 4-H Youth Development Educator in Michigan, Illinois and recently Waukesha County. She was a 4-H volunteer for 12 years while living in Michigan and both of her children grew up through the 4-H program. "My children, now adults, would tell you that

4-H helped them be who they are today", states Sarkady. In addition to working within the Extension program in the mid-west, she held an administrative role at a large community college for ten years in Illinois.

The second change is that UW Extension will be moving under the UW Madison structure starting July 2018. The alignment offers a strong brand to the University as well as access to the college's educational resources. UW Madison sees the value of having Extension in the 72 counties as a way to expand their reach to help the citizens, businesses, and communities in Wisconsin. The commitment to local needs and education is still the driving mission of the UW Extension system.

We Need You & Your Family to Help at Fair!

COUNTY FAIR
NEWS!

The 159th Annual Ozaukee County Fair will be held August 1-5, 2018. Many 4-H volunteers are needed for the fair to be successful. Before you sign up to help, you may want to check out the fair judging schedule for your 4-H projects at the following link: <http://www.ozaukeeountyfair.com/judging-schedule/>

Each 4-H family is required to sign up for 2 spots per member in 3rd grade and above. For example, if you have 4 children in 3rd, 5th, 7th, and 9th grades, **your family** needs to sign up for 8 time slots. Kids, Mom, Dad, Grandma and Grandpa can all help fill your spots. Cloverbud members are not required to volunteer.

Below you will find a short description of the areas that you can volunteer at during the fair. There are also opportunities to sign up to help before and after the fair so find the best times that fit into your schedule. Please include your club name in the COMMENT spot on every sign-up. Thank you in advance for volunteering to help at this year's Ozaukee County Fair!

Sign-Up is OPEN! Please go to the [4-H at the Ozaukee County Fair](#) page of the website for the link to the Sign-Up Genius.

Activity Team Adult and youth volunteers are needed to help with the activities teams at the fair again this year. The activities will be held in the north end of the Pavilion and will include promoting 4-H, simple craft projects and games.

Change War Wagon The 4-H Change War Wagon will be on the move again at the 2018 Ozaukee County Fair! Coins count as positive points and paper money counts as negative points. Volunteers are needed to pull the Wagon around the Fairgrounds to raise funds. Every 4-H member who has received a sponsorship from the Ozaukee 4-H Foundation (Clothing Revue, 4-H Youth Conference in Madison, CWF, Space Camp, American Spirit, 4-H Camp, College Scholarships, other conferences & workshops or received project support) is encouraged to take a time slot to pull the Wagon during the fair. The Wagon can be picked up and returned to the Ozaukee Pavilion at the beginning and end of each shift.

Exhibit Building The Exhibit Building is where most of the 4-H projects are judged and displayed for the fair. It takes a lot of volunteers to set-up for fair, assist judges and make sure the building looks great during the fair. There are many

opportunities for you to volunteer before, during and after the fair. Find a time that works best in your schedule.

Parking Cars The 4-H parking lot is a fundraiser 4-H. Volunteers are needed to park cars.

Clover Café Food Stand The 4-H Clover Café is located in the air conditioned Pavilion. The Café is open on Monday through Sunday during the 4-H judging and the fair. There are many opportunities for you to volunteer in the food stand, and you can even select the job you want to do. You can choose if you want to grill food, be at the cash register or assemble food. All workers are required to wear a hat.

Recycling The recycling initiative was started during the Fair a few years ago. It targets aluminum cans and plastic bottles. Let's continue that green effort the 4-H way!
