Promoting 4-H: National 4-H Week Coming Up!

Did you know that National 4-H Week takes place the first full week in October each year???

Did you know that Ozaukee County 4-H promotes National 4-H Week for the entire month of October???

For the past 8 years, Ozaukee County Libraries have graciously given Ozaukee 4-H access to their display cases to promote the many facets of Ozaukee 4-H. You may have noticed or even received a black rosette on many projects during the Fair. These items were selected to showcase Ozaukee 4-H specifically for these displays! Not only is this a great (and free) 4-H Promotion, it is a great recruitment tool to grow our 4-H program! Unfortunately, the Coordinator has moved out of the state, and is no longer able to continue this promotion. The Library cases (Nieder Korn Library-Port Washington, Oscar Grady Library-Saukville, Grafton Library, and Weyenburg Library-Mequon) have been reserved for October 2018, and they are expecting our great projects to be displayed!

Please consider volunteering to take on this wonderful opportunity to promote 4-H!

For more information, please email Jody Brzezinski at jobreezy2@yahoo.com

If you received one of the black rosettes, please bring that project to the UW-Extension office by **September 14th**. Some of the projects that were left after the fair are being kept at the Extension office until October.

The exhibits will then be sent to various libraries for display. The UW-Extension office will let you know where your exhibit is on display so you may go and see it.

Starting **November 5th**, you will be able to come back to the UW-Extension office and pick up your exhibit to take home.

Thank you in advance for your help on getting projects turned into the office!

Any questions, please contact the UW-Extension office at 262-284-8288.

Leaders Association Board

Are you interested in being involved with the Leaders Association Board for Ozaukee County 4-H?

There will be open positions on the Leaders Association Board for the 2018-2019 year.

- Several adult and youth positions will be open and voted on.

Applications are due to Extension office by October 1st.

Questions, please contact [Kathy Butler](#) at the Extension office or [Steve Proefrock](#),

WI 4-H International Programs Insight

The Best Month in Costa Rica! Thanks to 4-H!

This summer I was one of two people selected to go on the 2018 Costa Rica Exchange from Wisconsin. Through the IFYE (International Foreign Youth Exchange) program, I traveled with twelve other 4-Hers from around the United States to Costa Rica. I was placed with a host family in the San Jose Province, but more specifically Turrubares County. While living in Costa Rica for a month, I learned very much about the culture while I was trying new things and meeting new people. During the course of the month, I saw many different places, tried new foods, and met a lot of people. I was able to go to my host sister's school for two of the four weeks while I was there; it was very different because they only spoke Spanish and their school year goes from March to the end of November. The school systems in Costa Rica have very relaxed schedules and it made going to school fun and very exciting. The school I went to had a two week (Winter Break), and during it I spent more time with my host family around their farm. My host parents and I would spend hours milking their twenty-five cows by hand, and I can only imagine how long it takes them to do it all by themselves.

One of my favorite things I did in Costa Rica was going dancing with my host sister and friends. Dancing is a huge part of the culture in Costa Rica and everyone there knows how to dance in their own style of the Tango, Cha Cha, or Salsa. I spent time learning how to do most of the steps of those dances from my friends from Costa Rica. Another thing I did there, that was very common was walk. I walked almost everywhere that I went. I even went on a walk with some friends from school that turned out to be a thirteen mile hike. I also drank water out of a waterfall on that hike, because my host sister did not tell me that we were going to be climbing up a mountain and that I should've brought along water.

One of the things that I found very unique about Costa Rica is that they have a lot of different types of fruit. So many different types that they didn't even know what

some of them were called in Spanish or English. The farm that I lived on was in the middle of the mountains and we had many different fruit trees in our yard, like star fruit, mango, lime, and others. Another thing that I found special to Costa Rica is that everyone had a hammock at their house. I spent a lot of time sleeping and relaxing in the hammock we had at our house. My host dad bought a hammock for me and gave it to me just before I left.

Costa Rica was an amazing trip and I am so blessed to have been given the chance to travel there! Thanks to 4-H, I have been able to go and experience a new way of living, and make new long lasting relationships with the people I met in Costa Rica.

Ozaukee County 4-H Foundation News

We have a new club who won the Change War Wagon...**Little Kohler!!!** Congrats you win a pizza party at a future meeting!

Now...no more picking on Lindenwood or Knellsville.

The Piggy Bank Decorating was won by Lakeview!

Lakeview \$31.04

Deckers Corners \$17.66

Covered Bridge \$11.29

A total of \$90.47 was collected in these banks which counted as positive points in each change war bucket.

Change War Data:

2018	\$1,271.69	Little Kohler (Down almost \$1,000 from the previous 2 years)
2016	\$2,280.51	Lindenwood

We reduced our morning and early afternoon shifts, cutting the hours by 40%. I later learned there wasn't enough shifts for all volunteers to sign up, so I'll need to add more shifts next year. We did not do the piggy bank dump during judging, but tried the decorating contest instead.

Please share any suggestion you have.

Thanks all for all the work you do for 4H and the Foundation!
