

2018 – 2019 Ozaukee County

4-H Livestock Association Handbook

An EEO/AA employer, University of Wisconsin-Extension provides equal opportunities in employment and programming, including Title VI, Title IX and Americans with Disabilities Act (ADA) requirements. Please make requests for reasonable accommodation to ensure equal access to education programs as early as possible preceding the scheduled program, service or activity.

The 4-H Livestock Association rules listed here relate to the annual County Fair 4-H Livestock Sale. Requirements of the Ozaukee Co. Agricultural Society, 4-H Leaders Association, and each 4-H club may also pertain to participation in the County Fair and Livestock Sale. The 2019 sale will be held at 7:00 p.m. on Thursday, August 1st, 2019. Sale order will be Dairy Beef, Sheep, Swine, and Beef.

1. To be eligible to sell their animals in the sale, the 4-H member must attend FOUR of the scheduled 4-H Livestock Association activities and meetings from September 1, 2018 to August 1, 2019. Only persons who are recorded as attending the meetings will be included in the attendance count. Only members in attendance will count. Members should verify attendance with the Secretary if they have any questions. Members in their last 4-H membership year or on an approved yearlong educational leave are required to have an educational plan approved by the 4-H Livestock Association Board and the individual member's 4-H Club. Copies of the form are available online on the 4-H webpage (under Forms tab) or from the UW-Extension Office. For youth that participate in livestock events at Area Animal Science Day in June or July, the Nasco Show Clinic, Tri County Pork Producers Clinic, Youth for the Quality Care of Animals training, or Nutrition Clinics, this attendance can be counted toward the meeting attendance requirement. However, attendance at one or more of these events will count as a MAXIMUM of ONE meeting towards the FOUR meeting requirement. It is each member's responsibility to be pre-registered to participate and bring proof of participation to the Livestock Association Secretary. Attendance Form is attached at the rear of this document.

The schedule, subject to change, is as follows:

September 17	- Meeting, 7:00 p.m., Fairgrounds Pavilion South
November 19	- Meeting, 7:00 p.m., Fairgrounds Pavilion South
January 21	- Meeting, 7:00 p.m., Fairgrounds Pavilion South
March 18	- Meeting, 7:00 p.m., Fairgrounds Pavilion South
May 20	- Meeting, 7:00 p.m., Fairgrounds Pavilion South
June 17	- Fitting Mtg, 7:00 p.m., Fairgrounds Pavilion South
June or July TBA	- Area Animal Science Day (see Harbinger in spring)
July 29	- Work Night and Meeting, Fairgrounds, 6:30PM

*****Pen set up for sheep and beef will be July 27, 2019. Swine set up will be announced closer to fair. Attendance does not count as an educational meeting but participation is highly requested. *****

***** The 4-H Livestock Association annual Burger Sale and Car Wash is tentatively scheduled for Saturday August 10, 2019 or August 17, 2019 at Olsen's Piggly Wiggly in Cedarburg. Although attendance does not count as an educational meeting, participation is very important to the organization. Details will be announced at regular association meetings. *****

2. All animals consigned to the sale must have been previously identified according to guidelines and procedures of the Livestock Association, and must have been exhibited in the market classes at the 2019 Ozaukee County Junior Fair. Animals must be presented in the show ring by the exhibitor unless A.) An alternate is approved by the department

- superintendent due to a safety concern, or B.) The exhibitor has two market animals in the same class. If an exhibitor has two animals in one class, the premium book describes alternative permitted exhibitors. See rule #18. All animals exhibited in market classes intended for the livestock sale must be entered and shown by the member that is identified with that animal at the time of initial identification. All animals must be presented in the sale ring by the exhibitor.
3. To be eligible for the livestock sale, all market animals must be castrated males, or females. All corrections to weigh in forms including gender identification must be made by June 1st or animal will not be allowed to sell.
 4. All consignors must be 4-H members enrolled in the appropriate livestock projects during the current year and show their project at the junior fair. All consignors must show their current project records completed to one week before the sale on Monday evening of fair week, 6:30 - 8:00 p.m. or at the time of fair weigh-in, which will be Tuesday for swine, and Wednesday for beef and sheep. No professional fitters will be permitted to work on animals while at the fairgrounds. Clipping and grooming of exhibits while on the fairgrounds must be done by the exhibitor, his or her immediate family (brother, sister, parent/step parent/guardian, or grandparent), Ozaukee Co. 4-H members, and/or actively participating Ozaukee Co. 4-H leaders.
 5. Each 4-H livestock project member will be allowed to sell one animal provided it meets weight and grade requirements. This animal shall be designated at the time of weigh-in. Members must also meet the achievement requirements of the 4-H Livestock Association.
 6. If an exhibitor does not achieve at the club level for the 2018/2019 4-H year they will not be allowed to sell in the 2020 livestock sale.

Rules for Adding Show Champions

- A. If an exhibitor has consigned one animal, and another animal they exhibit is selected as a champion (Champion, Reserve Champion or Rate-of-Gain Champion) they can then sell the designated animal plus the champion. Champions must meet all other requirements (weight, grade, etc.) to be in the sale. If a show Champion, Reserve Champion, or Rate of Gain Champion does not meet minimum sale requirements, it will not be eligible to sell.
 - B. If an exhibitor has consigned one animal, and another is picked as any of the champions, the champion can be substituted for the previously consigned animal.
 - C. Champions selected do not have to be substituted into the sale.
 - D. An exhibitor that has more than one champion can sell one or two animals. The sale animal can be a previously consigned animal or a champion. No member will sell more than two animals.
 - E. An exhibitor with a champion that was consigned to the sale does not get to add a second animal to the sale.
7. All animals consigned to the sale must be presented by the exhibitor in the sale unless otherwise authorized by the 4-H Livestock Association Board. Animals must be sold by the person designated at the time of identification. Any exhibitor not present at their sale time (or with a pre-approved substitution) will not be able to sell at a later point in the sale.

Several animals are queued up in line prior to entering the ring. An exhibitor and their animal must get in this line as it is formed and will not be able to get in the ring if they miss their place in line.

8. All exhibitors are expected to conform to the Livestock Association and Agricultural Society Rules and Regulations. Any person who violates any of the rules will forfeit all privileges and premiums and/or be subject to such penalty as the livestock or fair board may order. Failure to comply may result in award(s) and premium(s) forfeiture; and/or dismissal from the fairgrounds; and/or being barred from competition immediately in the department in which the violation has occurred; and/or future competition in the Ozaukee County Fair.

The following due process will be used in the questions of a rule violation. The exhibitor and/or parties involved will be questioned by the 4-H Livestock Association Board. If it is felt that a violation has occurred, the Rules Committee will make a final ruling. The rules committee will consist of all adult officers plus the adult species representatives.

9. All animals consigned to the sale must be of high quality and fit for market, and may be disqualified by the 4-H Livestock Association Board if thought not to be in the best interest of the 4-H program. Consigners must sign the consignment agreement as required by the 4-H Livestock Association concerning the use of drugs, feed additives and showing practices. Sale animals must be designated prior to the end of weigh-in for that species. Hogs must be designated for sale during weigh-in on Tuesday, the other species by the end of weigh-in on Wednesday. An exhibitor will be allowed to have a maximum of two of these animals per species weighed at the fair. No “re-weighing” or “re-grading” is permitted. There will be no discussions with the grader during the weigh-in period.

10. Consignors to the sale shall ensure that:
 - a) All animals have visible identification;
 - b) Steers have a rope halter left on them;
 - c) Signs provided by the Livestock Association are displayed no later than 9 a.m., Friday of Fair Week;
 - d) All trucking arrangements for non-sale animals must be finalized with the species representative at the end of each species weigh-in, with the exception of multiple species exhibitors must be finalized by or before noon Friday. If you do not make these arrangements by this time, the livestock association will not arrange trucking or processing;
 - e) Each Club must coordinate cleaning of pens by Monday after County Fair. If exhibitor does not arrange to have his/her area cleaned, sale rights for the following year are forfeited; and
 - f) Thank you letters are sent to all buyers, with a paper copy of the letter submitted during check distribution. Anyone not complying will not be able to sell in the 2020 sale. Checks will be distributed August 26 from 7:00 p.m. to 8:00 p.m. in the Administration Center, Room 118.

11. All animals consigned to the auction (and permitted by the 4-H Livestock Association

Board) must be sold by open bidding to the public. Animals will be sold by the pound up to the maximum weight limit, and the Livestock Association will retain 6 percent of all sales to be used for funding 4-H livestock activities. All species will also be assessed the mandatory commodity check off fee.

12. All sales are final. The buyer will accept legal ownership at release time as designated by the Fair Board except in the case of animals with State Fair show rights. No animals will be released until regular release time. Seller must provide feed and care of animals until release time and maintain animal in a healthy condition equal to that at the time of the sale. Any animal which has been sold must be kept in a market ready condition. Any animal which has health or other conditions which prevent it from being marketed may be rejected or replaced at the discretion of the 4-H Livestock Association Board. The Livestock Association is merely a facilitator in making the sale possible.
13. All exhibitors are to clean pens prior to 10:00 a.m. every day, and use an adequate supply of bedding materials. The barns will be regularly inspected and exhibits must be kept neat at all times. The 4-H Livestock Association Board reserves the right to request the Agricultural Society to withhold premium money from such exhibits as are held unworthy. Pens which have not been cleaned will be cleaned by Livestock Association representatives, and \$10 per animal will be charged to the exhibitor.
14. The 4-H Livestock Association Board has the right and responsibility to interpret the rules and to conduct the sale in the best interest of the consignors and the Ozaukee County 4-H Leaders Association.
15. All market animals must be owned by the exhibitor or the exhibitor's family.
16. All 4-H members must have active participation in the raising and caring of their 4-H project entries.
17. Sheep market animals must have a completed "Country of Origin" form turned in to species representative upon arrival and check-in at fair.
18. Any exhibitor with two market animals placed in the same weight class must have a currently enrolled Ozaukee County 4-H member exhibit the second animal. Cloverbud members are not eligible to exhibit livestock.
19. Additional rules and times for each species are on separate pages (Beef Page, Sheep Page, and Swine Page).
20. Each species will select a top "home bred and raised" award. Both females and males are eligible. To qualify, the exhibitor or immediate family must have owned the dam of the animal entered at the time of breeding. The immediate family is defined as, brother, sister, parent/step parent/guardian or grandparent.
21. Any changes to the Livestock Association handbook will be announced at the scheduled Livestock Association meetings.

22. Family Shared Animals – Any family choosing to identify by family may identify a maximum of two animals per youth plus a maximum of 2 animals which can be eligible to be shown by any family member.
23. State Fair Show Rights – An exhibitor may show an animal at State Fair that has been previously sold at the County Fair Livestock Sale. Animals with State Fair show rights will be so designated in the County Fair sale listing, and an announcement will be made at the sale so that buyers are aware of the necessary agreements between exhibitor and buyers. These agreements are:
 - a) After State Fair, the exhibitor will deliver the animal to the location designated by the buyer.
 - b) In the event the animal qualifies for the Governor's Blue Ribbon Auction at State Fair, the exhibitor will be permitted to sell at that auction and agrees to reimburse his/her County Fair buyer for the full purchase price of the animal paid at the Ozaukee County Fair Livestock Sale.
 - c) The exhibitor and his/her family assume full liability for the health and safety of the animal, and agree to reimburse the County Fair buyer for the purchase price in the event they are unable to deliver the animal to the buyer after State Fair.
 - d) The foregoing stipulations will be included in an agreement to be signed by buyer and exhibitor before the conclusion of the County Fair.
24. All livestock project members are encouraged to attend an evening program on quality assurance practices to be held during a Livestock Association Meeting.
25. Youth for the Quality Care of Animals (YQCA) training will be required for all species by June 30 in order to qualify for the sale.

BEEF INFORMATION

Initial Identification Initial identification of beef cattle will be **January 5, 2019**, between 9:00 a.m. – 12 noon with the snow date on **January 12, 2019**. The initial weigh-in will be at the fairgrounds. Members not bringing cattle to the fairgrounds can have their animals identified only on the afternoon of, or the day after weigh-in. Arrangements should be made in advance. All beef animals must be haltered. Exhibitors will be permitted to identify a maximum of four cattle. See “Family Shared Animals” – Rule 22.

Attendance Members must meet the attendance requirements covered in the general section of the livestock association rules.

Final Weigh-in All market beef cattle must be weighed in at the county fairgrounds on August 1st, 2019, between 4:00 -7:00 p.m. A maximum of two animals per species will be weighed for each exhibitor. To be included in the sale, beef project members must have their animals checked in, weighed and graded and must have their sale animal selected prior to 7 p.m. Each exhibitor or a family member of each exhibitor must be present at the time of weigh-in. All animals can only be weighed and graded once, and must be weighed during their allotted weigh-in times. To be eligible for sale, animals must meet these requirements:

Species	Weight Pay-out for Sale- Maximum	Minimum Grade
Beef	1450	Low Choice
Dairy Beef *	1600	Low Choice

*Such as Holstein, Guernsey, Jersey, Brown Swiss, Swedish Red, Montbéliarde, Lineback, etc.

SHEEP INFORMATION

Initial Identification Initial identification of sheep will be **Saturday May 4, 2019**, between 10:00 a.m. and 12:00 noon. The initial weigh-in will be at the fairgrounds. Exhibitors will be permitted to identify a maximum of four sheep. See “Family Shared Animals” – Rule 22.

Attendance Members must meet the attendance requirements covered in the general section of the livestock association rules.

Final Weigh-in All market sheep must be weighed in at the county fairgrounds on Wednesday, August 1, 2019, between 4:00 -7:00 p.m. A maximum of two animals per species will be weighed for each exhibitor. All sheep must be slick sheared before the weigh-in. To be included in the sale, sheep project members must have their animals checked in, weighed and graded and must have their sale animal selected prior to 7 p.m. Each exhibitor or a family member of each exhibitor must be present at the time of weigh-in. All animals can only be weighed and graded once, and must be weighed during their allotted weigh-in times. To be eligible for sale, animals must meet these requirements:

Species	Weight Minimum- Maximum Pay-out for Sale	Minimum Grade
Sheep	100-160	Average Choice

SWINE INFORMATION

Initial Registration Hog registration will be done on **April 5, 2019** at the fairgrounds. All swine project members must attend to register their animals, pick up their ear tags, and purchase DNA envelopes (\$10/animal). Do NOT bring animals. Members will be responsible for tagging and submitting DNA for their own animals. There will be additional deadlines laid out during registration.

Maximum suggested weight for hogs at weigh-in is 85#. Exhibitors will be permitted to identify a maximum of four hogs. See “Family Shared Animals” – Rule 22. Initial registration will be between 10:00 a.m. and 12:00 noon.

Attendance Members must meet the attendance requirements covered in the general section of the livestock association rules.

Final Weigh-in All hogs must arrive at the fairgrounds between 2:00 p.m. and 6:00 p.m. on Tuesday. All market hogs must be weighed in at the county fairgrounds on Tuesday, July 31, 2019 starting at 6:00 p.m. A maximum of two animals per species will be weighed for each exhibitor. To be included in the sale, swine project members must have their animals checked-in, weighed and graded and must have their sale animal selected at the time of weigh in Tuesday evening. Each exhibitor or a family member of each exhibitor must be present at the time of weigh-in. All animals can only be weighed and graded once, and must be weighed in pen order. *The hogs will be weighed pen by pen – throughout the barn. The pen order will be announced Monday night.

To be eligible for sale, animals must meet these requirements:

Species	Weight Minimum-Maximum Pay-out for Sale	Minimum Grade
Swine	220-295	Average Two

Show Time - The swine show will start at 3:00 p.m. Wednesday.

Terminal Swine Show - The Ozaukee County Fair is a terminal swine show. All swine that unload on the fairgrounds during fair must proceed to a terminal processor or market at the conclusion of the Fair. Swine will NOT be allowed to return to a farm or proceed to another event.

4-H LEADERS ASSOCIATION - LIVESTOCK ASSOCIATION LIVESTOCK AUCTION CONSIGNOR AGREEMENT

GENERAL RULES AND REQUIREMENTS:

I acknowledge that I have received, understand and agree to the terms of the Livestock Sale Rules and Regulations.

LIABILITY:

It is understood that all persons participating in this show, acting on behalf of themselves, their principals, their agents or employees, agree to make no claim against the Ozaukee 4-H Livestock Association, Ozaukee County Agricultural Society or Ozaukee County 4-H Leaders Association, any official of the show or anyone acting by, for or through them, for loss, damage or injury to any property, animal or person resulting from any cause. Neither the Ozaukee County Agricultural Society nor the Ozaukee County 4-H Leaders Association, Ozaukee County Livestock Association or any of their officers or employees, will be in any way held responsible for any loss or damage that may occur to any livestock exhibited. All livestock exhibited shall be at the sole risk and responsibility of the exhibitor.

FRAUD:

The Livestock Association Board reserves the right to withhold the premiums awarded in any case in which it shall appear that the regulations have not been complied with, or that fraud or deception has been practiced or attempted. Payment for beef, swine, and lambs sold in the auction for processing at local packing plants will not be made until carcasses have been inspected or livestock have been resold through commercial sales channels. Any carcass showing evidence of antemortem tampering will be paid for in accordance with their market worth regardless of the auction price of the live animal. Ribbons and prizes awarded on such animals shall be forfeited and the exhibitor shall be banned from future showing.

PAYMENT:

Payment for auctioned animals will be made during Check Distribution Night from 7:00 to 8:00 p.m. on August 26, 2019 at the Administration Center, 121 W Main St., Port Washington, WI, room 118. Copies of "thank you" notes to the buyers must be turned in when payment is received. Livestock Association commission and the Federal Market Order assessments will be deducted. Checks not picked up at Check Distribution Night must be picked up at the September, November, January, March or May Livestock Meetings. All checks must be cashed by May 30, 2020 or we will stop payment.

COMPLAINTS:

Any complaints regarding the eligibility of entries shall be filed in writing. This complaint must be filed by an exhibitor or Livestock Association species representative. There is a \$5 charge, which must be paid when filing such complaint. Complaints will then be considered by the Livestock Association Board. Before any exhibitor is disqualified he or she shall be granted the right to meet with the Board on the potential disqualification. Matters related to the Agricultural Society rules will be referred to the species superintendent.

DRUG HISTORY:

Exhibitors must certify that the animal has not received or been treated with drugs, tranquilizers, diuretics, steroids, antibiotics/other substances without following current withdrawal procedures.
