[Re-enroll Instructions](#).

Here's some important tips:

- Use Chrome or Firefox with 4H Online webpage.
- All current 4-H youth **MUST** re-enroll by the end of the day on September 30th.
- 4H Online will **LOCK** for re-enrolling on Sept. 30th .
- Use your current 4-H Online account when re-enrolling (you should **not** have to create a new account).
- Please **double-check** that all information is current/accurate and spelling/punctuation is correct. This will help save some office time when reviewing/approving re-enrollments.

## Reenrollment Changes: NEW this Year!

These changes effect ADULT VOLUNTEER enrollments.

A few changes will be implemented into 4H Online, impacting how you re-enroll for 2019-2020. The tips on the front page still apply, but please note the following:

- **Volunteer Type for Adult Volunteers (required)**

New in the 2019-2020 enrollment year, the State 4-H office will be providing Volunteer Role Descriptions to all adult volunteers. This is necessary to comply with UW-Madison policies concerning volunteers and state liability insurance coverage. All adults will need to select a club and volunteer type in 4H Online. Volunteers should choose all options that may reflect their involvement with 4-H for 2019-2020 year. This info will be completed on the "Additional Information" tab in your 4H Online profile. If an adult DOES NOT select a volunteer type, their profile will be returned to them and not approved in the system until completed.

The choices for club volunteer type are:

- [Activity/Event Volunteer](#)
- [Adult Advisor/Chaperone](#)
- [Club Enrollment Coordinator](#) (formerly Club Enrollment and Club Manager)

- [Club Leader](#) (includes Organizational/General and Co-Organizational/Co-General)
- [Committee Volunteer](#)
- [Project Leader](#) (includes Key Leader and Resource Leader)
- Project Leaders will still need to select a project(s) and volunteer type on "Participation" screen under "Projects" tab. (ie: Archery Project Leader). This part is the same as previous years.
- Volunteers will receive a volunteer agreement letter from the state 4-H office after enrollment is complete containing volunteer role confirmation. This is linked to state liability insurance. If something would happen while performing a volunteer role you did not register to take on, you may not be covered.
- Older youth (age 18 and up) that are transitioning from being youth members to adult leaders– you can roll your youth profile info to the adult role. However, please note that when filling in years in 4-H on the "Personal Information" tab, it will be the years in 4-H as any ADULT leader at that time. DO NOT include your youth years.

## New Volunteer Orientation

As we kick off another 4-H year, we welcome new adult volunteers and thank you for your willingness to serve in this capacity. 4-H takes steps to ensure a safe and healthy environment for youth and encourages safeguards for adult leaders.

Each new volunteer is required to attend one session of new volunteer orientation. Volunteers who have not enrolled in the last five years must also be retrained.

New Volunteer Orientation process includes the following:

- Complete the online enrollment form which includes a Volunteer Behavior Agreement (4H Online)
- Participate in a New Volunteer Orientation session
- Authorize a background check (4H Online)
- Complete online Mandated Reporter Training

The timeline for new adult approvals can be a few weeks. Therefore, if you are interested in becoming an adult volunteer with Ozaukee County 4-H, please keep the extended timeline in mind and sign-up early before the event(s) you wish to volunteer for.

**\*\*Adults wishing to volunteer with The Haunt—Early registration and volunteer orientation is a MUST.\*\***

**New Volunteer Orientations** are scheduled at the Ozaukee County Administration Center for:

- **Wednesday Sept. 25th at 10:00-11:30am in Room 118**
  - **Wednesday Sept. 25th at 6:30-8:00pm in Auditorium**
  - **Monday, October 7th at 6:30-8:00pm in Auditorium**

## Plat Book Refresh

The Ozaukee County plat book is being updated. The last book was published in 2015. Proceeds from ads and the sale of the book have offset 4-H enrollment dues for the last several years, making our 4-H program more affordable for families.

Quarter Page \$295 (full banner across entire page)

Many of the advertisers listed in the 2015 book have re-committed to purchasing an ad in the new book. If you have an idea of a business, person, or family who might like to purchase an ad, have their name listed as a 'Friend of 4-H', or include a memorial mention in the book, please contact Marcia Nosko via email at [swmbo1790@gmail.com](mailto:swmbo1790@gmail.com) by August 31<sup>st</sup> with the word 'Ad' in the subject line. Marcia will compare your submission against the current contact list to ensure duplicate contacts aren't made.

## National 4-H Week

National 4-H Week takes place the first full week in October! Ozaukee County 4-H promotes National 4-H Week for the entire month through several of the Ozaukee County libraries. These libraries have graciously given Ozaukee County 4-H access to their display cases to exhibit projects that 4-H youth have created and exhibited at County Fair. These projects are an example of the wide variety of opportunities that the 4-H program holds for young people.

Projects selected for this promotion received a black rosette during judging. These items were selected to showcase Ozaukee County 4-H specifically for these displays! If you received one of the black rosettes, please bring that project to the Extension office **by Friday, September 13th**. The exhibits will then be sent to various libraries for display. The Extension office will let you know where your exhibit is on display so you may go and see it.

Then beginning in November, your project will come back to the Extension office and will be available to you to pick-up and take back home.

Thank you in advance for sharing your project as part of this important promotion of Ozaukee County 4-H!

## Project Add/Drop Dates

A few deadlines to pass along as you register for the 2019-2020 4-H year.

- Deadline to **ADD Projects** for 2019-2020 Year: November 1st, 2019

## New! Poultry-less Option

New for 2019-2020, the [Poultry project](#) is expanding to include Poultry-less youth! What does this mean? Youth that are interested in learning about, showing, raising poultry but do not have the space or city ordinance prohibits keeping poultry, will be able to team with current 4-H Poultry families that have animals and space and “adopt” a critter for the year.

Youth that want to join will need to sign up for the Poultry project in their [4H Online](#) profile when reenrolling.

Questions? Contact Erin Stewart, Poultry leader, at 262-689-6910 or [stewzoo2973@gmail.com](mailto:stewzoo2973@gmail.com).

## 2019 County Fair Wrap-up

### 2019 Business Sponsor Awards

Congratulations to those 4-H members who earned a Business Sponsor Award at the 2019 Fair! Through the generous donations of local individuals and businesses, we were able to give out these awards again this year. If you have questions regarding Business Sponsor Awards, please contact Coordinators Lisa Spangler at [spanglala@gmail.com](mailto:spanglala@gmail.com) or Deb Poull at [rdpoull@gmail.com](mailto:rdpoull@gmail.com). Thank you!

### Anything Goes!

It was another fantastic year of Anything Goes, for the 40th anniversary of the games!! Kids from 8 different clubs had fun using baby spoons, moving water, dressing up and transporting cotton balls, using tennis rackets to move rolling objects, and trying to retrieve sinking objects from a pool!! Lots of laughs and cheers by all! Final ribbons went to Deckers Corners for 1st place, Lindenwood 2

for 2nd place, and Waubeka for 3rd place. Thanks to our Mr. and Miss 4-H each day for helping to emcee and run the games!!

Also, one final note: this was Jill's final year running the games. If you, or someone from your club, might be interested in taking over Anything Goes, please contact Jill at [avapump1@aol.com](mailto:avapump1@aol.com) and she can arrange to transfer the games bins along to someone new!!

### Parking Cars

Roger would like thank all the volunteers who helped with parking this year at the fair. We had many great "A-teams" come out, including our mother- daughter, father-son, and brother-sister teams. Truly you represent our family values as a 4-H families working together and having fun.

Also, a very special thanks to the 4-H youth volunteer, who during his free time, came out the very next day, and asked if he could park more cars. His service time was greatly appreciated.

Thank you again for making a fair so great this year. See you next year!

*- Roger Knepprath, Parking Coordinator*

### Clover Café

Another record year for the Clover Café!!

- We had \$31,500.00 in Sales!
- Made 2100 Cream Puffs
- Served 1650 Shakes
- Grilled 1295 Hamburgers
- And so much more!!!!

The weather was so beautiful that we were running out of food by Saturday Evening and Sunday.

We ran out of Nachos by Saturday night! Sunday we ran out of burger, hot dogs and brats!!

What a wonderful problem! That means all was profit!!!

Our Volunteers were wonderful!! We added Junior Managers this year that did a fantastic job of making our shift

changes flow smoothly! Changing volunteers every 3 hours is a lot of work!!

We were open from 11:30am to 7:30pm on Monday and Tuesday, 11am to 9pm on Wednesday, Thursday, Friday, Saturday and 11am to 7pm on Sunday with clean up to follow. That is a lot of hours, plus all the ordering of food, setting up of Café Saturday before fair, final taking down Monday after Fair and accounting work.

The Café is a wonderful 4-H fundraiser! Everyone comes in happy to do their jobs. Lots of smiles and many happy customers. This only happens with a strong management committee. The committee is a five year commitment. Some of the existing committee members have been on the committee for four years and next year will be their last. We are looking for new volunteers!

We want to retain a minimum of 15 people on the Café Committee. What does the position entail?

1. Each person would attend one meeting in March to review our menu.
2. Another meeting in June to finalize and set up schedule.
3. Help set up café on Saturday before fair so you know the complete working of Café.
4. Take 2 half day shifts or 1 whole day shift at fair.

If this sounds like something you would be interested in volunteering for please contact Dorothy Parchim at 262-370-4745 or [rondorpar@yahoo.com](mailto:rondorpar@yahoo.com).

Thank you to Michelle Hernandez for opening every morning and working every day!

Thanks for a great Clover Café Year! We look forward to a great 2020.

## County Board Exchange

The Ozaukee County 4-H and County Board Exchange took place on Wednesday, August 21st. 4-H youth gathered with the Ozaukee County Board Supervisors prior to the start of the County Board meeting to share leadership, citizenship, travel and educational opportunities experienced and life skills gained in the 4-H program. In return the County Board Supervisors listened intently and asked questions, creating an experience that reinforces positive youth-adult relationships, a key component within the 4-H program.

The meeting opened with the pledge of allegiance followed by Maria L. singing the National Anthem. 4-H youth were seated with the County Board Supervisors during the Board Meeting to learn how the County Board operates. During the meeting several questions were posed by the 4-H youth regarding the first presentation given on project lifesaver. The day was rewarding for the 4-H youth and the County Board Supervisors as they interacted and engaged prior to and during the board meeting.

The success of the Exchange is a direct reflection of those involved and their contribution to the day. We thank the youth for participating and sharing their experiences and the adult volunteers that made the event run smoothly.

## Summer Camp Note

I would like to give many thanks for all the staff for this year's summer camp. I am continually amazed at the quality of youth leaders that keep coming up through the ranks. I would like to say what great mentors and role models our counselors are to the younger youth. I would also like to recognize our adult staff. Without you, we would not be able to have such a successful camp. You happily take your time and vacation to give these kids a fun filled camp experience. You are a gift to the program. The skills taught and smiles displayed at our break-out areas including: shooting sports, camping skills, nature, waterfront, crafts and outpost adventure are priceless. I would also like to give a big thanks to the unsung staff: our nurse, our dining hall coordinator, our photographer and our coordinating assistants. Finally, thank you to our Assistant Director and Jr. Director. We received a great email from our 4-H Liaison, Jessica, who attended camp, stating we had the best camp volunteers that she has ever worked with in all her experience in 4-H. What a compliment! I would like to say thank you to Jessica, as she was a pleasure to work with and gave great guidance when needed. Ozaukee County 4-H is blessed to have all these volunteers. We look forward to next years camp. We welcome any new faces to volunteer for camp and of course want ALL 4-H youth to experience camp.
