

Hi Cloverleaf 4-H Families
I hope you are all doing well!!

Here is a little note from your President Abby

Hey everyone! I know our current situation isn't great, but we will make it through. This may be tough, but we are tougher, and before you know it things will be back to normal. Just keep a positive attitude and it'll all work out.

Cops and Kids Day has been canceled for this year. We had selected 4 different organizations to donate our profits. We will keep that all for next year.

LaSata Crossings Spring Talent Show

In May we go to LaSata Crossing to share our Talents. I don't know if we will be able to do this. I thought it might be fun to put together pictures of you working on your projects. We could do a poster board that could be posted at LaSata Crossing for them to see. Put your pictures on our Cloverleaf 4-H Shutterfly account. We'll then print them and assemble a poster. Let me know if you can help with this!

Meals on Wheels Crafts

Another project we could be working on is making little favors (Crafts) that could go with each meal delivered in Ozaukee County Meals on Wheels Program. Approximately 170 meals are delivered. That's a lot of little crafts. Any Ideas of simple crafts? Start working on some!! They can be all different crafts!!! Let me know your thoughts

If you like to sew - Here's another idea

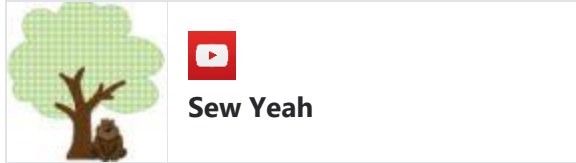

How about sewing face masks. Here are two websites showing you what to do!
Let me know if you are interested.

Keep your spirits up!! Saturday I was outside cleaning out my flowerbed. I saw tiny little tulips peeking out of the ground!! It made me feel happy!! I thought Yes everything is going to be ok!! We just have to be patient! As we patiently wait for the tulips to grow and be beautiful so we wait for this virus to subside and everything to be good!!

We also have to see the beauty in finding time to be with our families, time to be at home!! As I always say Home in Wonderful!!!

Take care!!! Post what projects you are working on, on our Cloverleaf Shutterfly site!!!

We will be together soon!!

Stay tuned for updates!!
