

WHY YOU SHOULD CONSIDER BEING A MENTAL HEALTH FIRST AIDER

On average

123

people die by suicide each day

1 in 5

people live with
a mental health condition

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illness and substance use disorders. This training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care.
