

Summer fun at the fair

Creatures great and small raised by 4-H members, fresh sweet corn like that enjoyed by cousins Audrey Franke and Layla Gahan (above), carnival rides, music and demolition derbies were all part of the fun at the 163rd Ozaukee County Fair held Aug. 3 through Aug. 7 at the fairgrounds in Cedarburg.

The livestock auction featured the best animals at the fair, including Judy Jentges' grand champion in the dairy beef category (top photo), Ashlyn Schubert's grand champion pig (above left) and Mayliyah Goehring's grand champion in the beef category (above right). But not all the fine looking animals at the fair were large. Holding the birds they raised during the small animal sale were (from left in photo at right) siblings Charlie, Clara and Lia Steinert.

Clockwise from far left: There were plenty of sweet treats at the fair, including the candy corn that Sydney Depies fed to her pig and a big cream puff that 11-month-old Brooks Schwabenlander enjoyed with the help of her aunt Erika Schurz. Crowned at this year's fair were Miss and Mr. Ozaukee 4-H 2023 Maria Lee and Tim Gierach, who are both members of the Lindenwood 4-H Club. They take over for 2022 Miss and Mr. 4-H Abigail Garvey and Jacob Peacy. Among the entertainment at the fair were carnival rides and demolition derbies.
