CEDARBURG — It's not a state or county fair without a cream puff, and the Ozaukee County Fair is no exception. The 2022 fair opens at noon Wednesday and runs through 6 p.m. Sunday. A fireworks display will take place at dusk on Wednesday, followed by several days of music, demolition derbys, animal shows, 4-H exhibits and more. To see a complete lineup, go to [www.ozaukeecountyfair.com](http://www.ozaukeecountyfair.com). The 4-H clubs are making and selling the tasty cream puffs, which will be sold at the Clover Cafe on the south side of the Ozaukee Pavilion building. The fairgrounds are located on Washington Avenue and Fair Street. Pictured above are 4-H members, front row from left, Maria Lee, Katelyn Depies, Abby Garvey and Courtney Rathke and, back row from left, Tim Gierach and Jacob Peacy.
