Tips for Composing your Cover Letter and Resume

- Use a computer. You can save your work and make revisions as necessary from year to year. If you do not have a computer at home, work with your school, a friend, or a local public library. The cover letter, resume, and essay questions must be completed with a computer.
- Make a plan. Go through each part of the resume and cover letter materials in this packet, collect your thoughts and make notes. Translate your skills into action oriented, concise descriptions. As much as possible, think of your 4-H experience as a job. What do you do? What skills have you developed as a result of participation in 4-H? How have you personally changed as a result of your 4-H experience?
- Order is important. Arrange information in reverse chronological order (most recent first) within the sections designated in the examples in this packet.
- Consider layout, design, and abbreviations. Your cover letter and resume should be easy to read and understand. Arrange your resume as illustrated in the sample copy provided. Choose a common and professional font, such as Arial or Times New Roman. Your font size should be no less than 11 points and no larger than 12 points. Use the same font throughout your application documents. Use between .5" and 1" margins at the top, bottom, and both sides of your page. Avoid using abbreviations, as not everyone is familiar with them. If you do use an abbreviation, the first time you write it in the resume use the whole word followed by the abbreviation, for example, University of Wisconsin (UW).
- Your resume may be one to two pages long, but no more than two pages.
- Individualize it. This is YOUR resume and cover letter. Add your own personality to it.
- Proofread it. Your documents should be free of spelling and errors in grammar. Use spell check and follow up by having at least two other people proofread your cover letter, resume, and essay response. This is where many people have minor mistakes! Don't lose points in the process by forgetting to proofread your documents.
- Ask for help if you need it! If you have never gone through this process, you will probably have questions, don't hesitate to ask! Jayna's office phone number: 262-284-8288 and e-mail: jayna.hintz@wisc.edu. *Be sure to ask questions or get clarification if you don't understand something.*

Ozaukee County 4-H Program

Dear Selection Committee:

It is my pleasure to submit my resume and essay response to be considered for funding for the Wisconsin 4-H and Youth Conference.

This is my seventh year as a 4-H member. I have been very active with my projects and as a member in my club, Lucky Clovers. My enclosed resume highlights my 4-H involvement. Participation in county programs including Wild Wacky Day Camps and Friends Helping Friends has made me interested in attending Wisconsin 4-H and Youth Conference. I have heard from other 4-H members about how it is a good opportunity to help me grow as a youth leader.

4-H has provided me with some excellent experiences. I have increased my communication skills by participating in the county Arts & Communication Festival, as well as serving as secretary for my club. I have learned to give back to my community by helping with my club's senior citizens holiday party and helping at the local food pantry.

Last year I became involved as a county Cloverbud project youth leader. I enjoyed working with other youth and adults from Ozaukee County to plan the county Cloverbud events and workshops. I had to learn to work as part of a planning team to get ready for a program. One of my jobs was preparing packets of craft project materials before a meeting and then teaching the craft to Cloverbuds. This was a chance for me to use my organizational and leadership skills. Other 4-H members who attended Wisconsin 4-H and Youth Conference told me about the opportunity to take youth leadership seminars. I would use the leadership skills gained and project ideas from these seminars in my club and in the county Cloverbud project.

I hope to attend Wisconsin 4-H Youth Conference to grow as a youth leader and to meet other people. My strong communication skills and willingness to grow as a youth leader make me a great candidate. Thank you for considering my application for funding. I look forward to speaking with you during the interview.

Sincerely,

Chris Clover
