**OZAUKEE COUNTY 4-H
LIVESTOCK ASSOCIATION SALE
Rules and Regulations**

The 4-H Livestock Association rules listed here relate to the annual Ozaukee County Fair 4-H Livestock Sale. Requirements of the Ozaukee County Agricultural Society, Ozaukee County 4-H Leaders Association, and each 4-H club may also pertain to participation in the Ozaukee County Fair and Livestock Sale. The sale is Thursday, August 1, 2024, 6:30 pm. Sale order will be Sheep, Swine, Beef and Dairy Beef.

1. To be eligible to sell animals at the Livestock Sale, the 4-H member **must attend four** of the approved 4-H Livestock Association activities and meetings from September 1, 2023 to July 29, 2024, one of which **MUST** be the mandatory – Youth for the Quality Care of Animals (YQCA) course. Only members who are recorded as attending the meetings will be included in the attendance count. Members *must* be in attendance to count. Members should verify attendance with the Livestock Association Secretary if they have any questions. Members in their last 4-H membership year or on an approved yearlong educational leave are required to have an educational plan approved by the 4-H Livestock Association Board and the individual member’s 4-H club. Copies of the form are available online on the 4-H webpage (under Forms tab) or from the Extension Ozaukee County office. For youth that participate in board approved livestock events (Examples are: Skillathon, meat judging, Area Animal Science Day, Show Clinics, Nutrition Clinics, YQCA online or in another county, or virtual educational opportunities through UXEX if available), the form in the back of this handbook should be used to show proof of attendance.

Attendance at one or more of these events, will count as a **MAXIMUM of one** of the four meetings required. Members in their final year can participate in YQCA online and one additional event for a maximum of two meetings. It is the responsibility of the youth member to preregister for these events if participating, and submit proof of participation to the livestock secretary. Email the proof of participation document to the Livestock Association Secretary at oz.4h.livestock@gmail.com. Proof of Participation forms for attendance are due to the secretary by July 15, 2024.

The schedule, subject to change, is as follows:

September 18	Livestock Meeting, 7:00 pm at the Fairgrounds
November 20	Livestock Meeting, 7:00 pm at the Fairgrounds
January 15	Livestock Meeting, 7:00 pm at the Fairgrounds
March 18	Livestock Meeting, 7:00 pm at the Fairgrounds - YQCA
May 20	Livestock Meeting, 7:00 pm at the Fairgrounds
June 17	Fitting Meeting, 7:00 pm at the Fairgrounds
June or July TBA	Area Animal Science Day (see Harbinger, Spring 2023)
July 29	Work Night and Livestock Meeting, 6:30 pm at the Fairgrounds

* Pen set-up for sheep and beef will be Friday July 26 , 2024 at 6:30 pm. Swine set-up will be announced closer to fair. Attendance at these set up events **does not** count as an educational meeting but participation is highly requested.

- * Pen and livestock area clean-up for sheep, beef, and swine is Monday evening, August 5, 2024 a representative from each club is expected to be there.
 - * The annual 4-H Livestock Association Burger Sale and Car Wash is tentatively scheduled for August 17, 2024 at Olsen's Piggly Wiggly in Cedarburg and Mequon. Although attendance at these events does not count as an educational meeting, participation is very important to the organization. Details will be announced at regular association meetings.
2. All animals consigned to the sale must have been previously identified according to guidelines and procedures of the Livestock Association, and must have been exhibited in the market classes at the 2023 Ozaukee County Junior Fair. Animals must be presented in the show ring by the exhibitor unless:
 - A. An alternate is approved by the department superintendent due to a safety concern.
 - B. The exhibitor has two market animals in the same class. If an exhibitor has two animals in one class, the premium book describes alternative permitted exhibitors (see rule #18). All animals exhibited in market classes intended for the livestock sale must be entered and shown by the member that is identified with that animal at the time of initial identification. *All animals must be presented in the sale ring by the exhibitor.*
 3. To be eligible for the livestock sale, all market animals must be castrated males, or females. All corrections to weigh-in forms, including gender identification, must be made by **June 1**, or animals will not be allowed to sell.
 4. All consignors must be 4-H members enrolled in the appropriate livestock projects by January 1 of the current year and show their project at the Junior Fair. All consignors must show their current project records completed to one week before the sale on Monday evening of fair week, between 6:30 – 8 pm, or at the time of fair weigh-in, which will be Tuesday for swine, and Wednesday for beef and sheep to their appropriate species leader or their designee. No professional fitters will be permitted to work on animals while at the fairgrounds. Clipping and grooming of exhibits while on the fairgrounds must be done by the exhibitor, his or her immediate family (brother, sister, parent/step parent/guardian, or grandparent), Ozaukee County 4-H members, and/or actively participating Ozaukee County 4-H leaders.
 5. Each 4-H livestock project member will be allowed to sell one animal provided it meets weight and grade requirements. This animal shall be designated at the time of weigh-in. Members must also meet the achievement requirements of the 4-H Livestock Association. If an exhibitor does not achieve at the club level for the 2023-2024 4-H year, they will not be allowed to sell in the 2025 livestock sale.
 6. Rules for Adding Show Champions:
 - A. If an exhibitor has consigned one animal, and another animal they exhibit is selected as a champion (Champion, Reserve Champion or Rate-of-Gain Champion) they can then sell the designated animal plus the champion. Champions must meet all other requirements (weight, grade, etc.) to be in the sale. If a show Champion, Reserve Champion, or Rate of Gain Champion does not meet minimum sale requirements, it will not be eligible to sell.
 - B. If an exhibitor has consigned one animal, and another is picked as any of the champions, the

- champion can be substituted for the previously consigned animal.
- C. Champions selected do not have to be substituted into the sale.
 - D. An exhibitor that has more than one champion can sell one or two animals. The sale animal can be a previously consigned animal or a champion. No member will sell more than two animals.
 - E. An exhibitor with a champion that was consigned to the sale does not get to add a second animal to the sale.
7. All animals consigned to the sale, must be presented by the exhibitor in the sale, unless otherwise authorized by the 4-H Livestock Association Board. Animals must be sold by the person designated at the time of animal identification. Any exhibitor not present at their sale time (or with a pre-approved substitution) will not be able to sell at a later point in the sale. Several animals are queued up in line prior to entering the ring. An exhibitor and their animal must be in this line, as it is formed, and in sale order. Exhibitors who are not in line at the time their animal is scheduled to sell will not be able to enter the ring at a later time if they miss their designated place in line according to the sale order.
 8. All exhibitors are expected to conform to the Livestock Association and Agricultural Society Rules and Regulations. Any person who violates any of the rules will forfeit all privileges and premiums and/or be subject to such penalty as the livestock or fair board may order. Failure to comply may result in award(s) and premium(s) forfeiture; and/or dismissal from the fairgrounds; and/or being barred from competition immediately in the department in which the violation has occurred; and/or future competition in the Ozaukee County Fair. The following due process will be used in the questions of a rule violation. The exhibitor and/or parties involved will be questioned by the 4-H Livestock Association Board. If it is felt that a violation has occurred, the Rules Committee will make a final ruling. The Rules Committee will consist of all adult officers plus the adult species representatives on the current Livestock Association board.
 9. All animals consigned to the sale must be of high quality and fit for market, and may be disqualified by the 4-H Livestock Association Board if thought not to be in the best interest of the 4-H program. Consigners must sign the consignment agreement as required by the 4-H Livestock Association concerning the use of drugs, feed additives, and showing practices. Sale animals must be designated prior to the end of weigh-in for that species. Hogs must be designated for sale during weigh-in on Tuesday, the other species by the end of weigh-in on Wednesday. An exhibitor will be allowed to have a maximum of two of these animals per species weighed at the fair. No "re-weighing" or "re-grading" is permitted. *There will be no discussions with the grader during the weigh-in period.*
 10. Consignors to the sale shall ensure that:
 - A. All animals have visible identification.
 - B. Steers have a rope halter and necktie on them.
 - C. Livestock Association thank you signs, must be displayed no later than 9 am on Friday of fair week. **ONLY** Livestock Association signs for animals sold in the auction are permitted.
 - D. All trucking arrangements for non-sale animals must be finalized with the species

representative at the end of each species weigh-in, with the exception of multiple species exhibitors must be finalized by or before Friday at noon. If you do not make these arrangements by this time, the Livestock Association will not arrange trucking or processing.

- E. Each club must coordinate cleaning of pens and livestock areas by Monday after the county fair. If the exhibitor does not arrange to have his/her area cleaned, sale rights for the following year are forfeited.
 - F. Thank You letters to the buyers will be approved by members of the Livestock Board between 10 am and noon on Sunday of fair week in the show arena. The Livestock Board will mail the thank you to the buyer. Anyone not complying will not be able to sell in the 2025 sale. Checks will not be distributed until after a thank you letter has been approved by a livestock board member. **Checks not cashed by December 31st will be forfeited.** Checks will be mailed within 3 weeks of a thank you letter being approved.
11. All animals consigned to the auction (and permitted by the 4-H Livestock Association Board) must be sold by open bidding to the public. Animals are sold by the pound up to the maximum weight limit, and the Livestock Association will retain five percent of all sales to be used for funding 4-H livestock activities. All species will also be assessed the mandatory commodity check-off fee.
 12. All sales are final. The buyer will accept legal ownership at release time as designated by the Fair Board except in the case of animals with State Fair show rights. No animals will be released until regular release time. Seller must provide feed and care of animals until release time and maintain animals in a healthy condition equal to that at the time of the sale. Any animal which has been sold must be kept in a market ready condition. Any animal which has health or other conditions which prevent it from being marketed may be rejected or replaced at the discretion of the 4-H Livestock Association Board. The Livestock Association is merely a facilitator in making the sale possible.
 13. All exhibitors are to clean pens every day before 10 am and use an adequate supply of bedding materials. The barns are regularly inspected and exhibits must be kept neat at all times. The 4-H Livestock Association Board reserves the right to request the Agricultural Society to withhold premium money from such exhibits as are held unworthy.
 14. The 4-H Livestock Association Board has the right and responsibility to interpret the rules and to conduct the sale in the best interest of the consignors and the Ozaukee County 4-H Leaders Association.
 15. All market animals must be owned by the exhibitor or the exhibitor's family.
 16. All 4-H members must have active participation in the raising and caring of their 4-H project entries.
 17. Sheep market animals must have a completed "Country of Origin" form turned into the species representative upon arrival and check-in at fair.

18. Any exhibitor with two market animals placed in the same weight class must have a currently enrolled Ozaukee County 4-H member exhibit the second animal. Cloverbud members are not eligible to exhibit livestock.
19. Additional rules and times for each species are on separate pages (Beef, Sheep, and Swine).
20. Each species will select a top “home bred and raised” award. Both females and males are eligible. To qualify, the exhibitor or immediate family must have owned the dam of the animal entered at the time of breeding. The immediate family is defined as a brother, sister, parent, stepparent, guardian or grandparent.
21. Any changes to the Livestock Association Handbook will be announced at the scheduled Livestock Association meetings.
22. Family Shared Animals – Any family choosing to identify by family may identify a maximum of two animals per youth *plus* a maximum of two animals which can be eligible to be shown by any family member.
23. State Fair Show Rights – An exhibitor may show an animal at the State Fair that has been previously sold at the Ozaukee County Fair Livestock Sale. Animals with State Fair show rights will be so designated at weigh-in and also in the Ozaukee County Fair Sale Listing, and an announcement will be made at the sale so that buyers are aware of the necessary agreements between exhibitor and buyers. These agreements are:
 - A. If an exhibitor elects State Fair rights, it is the exhibitor's responsibility to find a processing slot and provide confirmation of this processing appointment (date and location) during species weigh-in when the animal arrives at Ozaukee County Fair. The exhibitor will deliver the animal by the predetermined date to the predetermined processing facility location as indicated on the sale contract on the night of the sale. If appointment confirmation is not provided during weigh in, State Fair Rights will not be granted.
 - B. In the event the animal qualifies for the Governor's Blue Ribbon Auction at State Fair, the exhibitor will be permitted to sell at that auction and agrees to reimburse his/her Ozaukee County Fair buyer for the full purchase price of the animal paid at the Ozaukee County Fair Livestock Sale.
 - C. The exhibitor and his/her family assume full liability for the health and safety of the animal, and agree to reimburse the Ozaukee County Fair buyer for the purchase price in the event they are unable to deliver the animal to the buyer after State Fair.
 - D. The foregoing stipulations will be included in an agreement and will be signed by the buyer and exhibitor before the conclusion of the Ozaukee County Fair.
24. ***YQCA training is required for all 4-H Livestock Project members in all species by June 30 in order to qualify for the sale. E-mail YQCA completion certificates to the livestock secretary if you attended a YQCA training other than the YQCA training offered at the March 2024 Ozaukee County Livestock Association meeting. The Livestock Secretary email is oz.4h.livestock@gmail.com.***

BEEF INFORMATION

Initial Identification of beef cattle is **Saturday, January 7, 2024, 8 am - 4 pm**, snow date will be January 13, 2024. The initial weigh-in location will be determined by species leaders and announced at the November meeting. Members unable to bring animals to the weigh-in can also have their animals identified on the afternoon of, or the day after, weigh-in. Arrangements should be made in advance. All beef animals must be haltered. Exhibitors will be permitted to identify a maximum of four cattle. See "Family Shared Animals" – Rule 22.

Attendance Members must meet the attendance requirements covered in the general section of the Livestock Association rules.

Final Weigh-in All market beef cattle must be weighed in at the Ozaukee County Fairgrounds on July 31, 2024 between 4 and 6 pm. A maximum of two animals per species will be weighed for each exhibitor. To be included in the sale, beef project members must have their animals checked in, weighed, and graded. They must also have their sale animal selected prior to the end of weigh in at 6 pm. Each exhibitor, or a family member of each exhibitor, must be present at the time of weigh-in. All animals can only be weighed and graded once, and must be weighed during their allotted weigh-in times. To be eligible for sale, animals must meet these requirements:

Species	Weight Pay-out for Sale-Maximum	Minimum Grade
Beef	1450	Low Choice
Dairy Beef *	1600	Low Choice

*Such as Holstein, Guernsey, Jersey, Brown Swiss, Swedish Red, Montbéliarde, Lineback, etc.

SHEEP INFORMATION

Initial Identification of sheep is **Saturday, May 4, 2024, time to be determined**. The initial weigh-in will be at the Ozaukee County Fairgrounds, Cedarburg. Exhibitors will be permitted to identify a maximum of four sheep. See “Family Shared Animals” – Rule 22. Ewe lambs must have a scrapie ear tag.

Attendance Members must meet the attendance requirements covered in the general section of the Livestock Association rules.

Final Weigh-in All market sheep must be weighed in at the Ozaukee County Fairgrounds on Wednesday, July 31, 2024, between 4 and 6 pm. A maximum of two animals per species will be weighed for each exhibitor. All sheep must be slick sheared before the weigh-in. To be included in the sale, sheep project members must have their animals checked in, weighed, and graded. They must also have their sale animal selected prior to the end of weigh in at 6 pm. Each exhibitor, or a family member of each exhibitor, must be present at the time of weigh-in. All animals can only be weighed and graded once, and must be weighed during their allotted weigh-in times. To be eligible for sale, animals must meet these requirements:

Species	Weight Minimum- Maximum Pay-out for Sale	Minimum Grade
Sheep	100-160	Average Choice

SWINE INFORMATION

Initial Registration: Swine registration is **Monday, March 18, 2024, 6:15 - 7:00 pm prior to March Livestock Association meeting.** All swine project members must attend to register their animals, pick up their ear tags, and purchase DNA envelopes (\$5/animal). Do NOT bring animals. Members will be responsible for tagging and submitting DNA for their own animals by the deadline provided in the registration information. There will be additional deadlines laid out during registration. **Samples must be mailed to Steve Rathke and be postmarked by May 4th.** Steve Rathke W4785 Hilltop Rd Fredonia, WI 53021
Maximum suggested weight for swine at registration time is 85 pounds. Exhibitors will be permitted to identify a maximum of four hogs. See “Family Shared Animals” – Rule 22.

Attendance: Members must meet the attendance requirements covered in the general section of the livestock association rules.

Final Weigh-in: All hogs must arrive at the Ozaukee County Fairgrounds on Tuesday, July 30, 2024, between 3-6 pm. All market hogs must be weighed-in at the Ozaukee County Fairgrounds on Tuesday, July 30, 2024, starting at 6 pm. A maximum of two animals per species will be weighed for each exhibitor. To be included in the sale, swine project members must have their animals checked-in, weighed, and graded. They must also have their sale animal selected prior to the end of weigh in. Each exhibitor, or a family member of each exhibitor, must be present at the time of weigh-in. All animals can only be weighed and graded once, and must be weighed in pen order. *The hogs will be weighed pen by pen – throughout the barn. The pen order will be announced Monday night.

To be eligible for sale, animals must meet these requirements:

Species	Weight Minimum-Maximum Pay-out for Sale	Minimum Grade
Swine	220-295	Average Two

Terminal Swine Show - The Ozaukee County Fair is a terminal swine show. All swine that unload on the fairgrounds during fair must proceed to a terminal processor or market at the conclusion of the Fair. Swine will NOT be allowed to return to a farm or proceed to another event.

Lottery - Due to the limited capacity of the processing facilities, non-sale hogs are not guaranteed the option of shipping to a processing facility rather than the stockyards. In order to fairly distribute available processing slots, Swine project members, with non-sale hogs, have the option of participating in a lottery for these additional processing slots. The lottery is tentatively scheduled for **Friday, August 2, 2024 at 6:00 PM.** To be eligible to participate in the lottery, the following requirements must be met:

- The non-sale swine has to be shown by 4H members. Open class animals are not eligible.
- The hogs have to make weight and grade for the sale
- The 4H member has to be eligible to sell and has met all of the requirements set forth by the Livestock Association
- Each exhibitor or family member of the exhibitor must be present at the time of the lottery to participate.

The names of all eligible members will be placed in a bucket. All available slots will be posted for each processing facility. Names will be drawn out of the bucket and that person will select where they would like their non-sale swine processed. Names will be drawn until all available slots are filled at which time, remaining members will be notified that their non-sale hog will be shipped to the stockyards.

Livestock Auction Consignor Agreement

GENERAL RULES AND REQUIREMENTS

I acknowledge that I have received, understand and agree to the terms of the Livestock Sale Rules and Regulations.

LIABILITY

It is understood that all persons participating in this show, acting on behalf of themselves, their principals, their agents, or employees, agree to make no claim against the Ozaukee 4-H Livestock Association, Ozaukee County Agricultural Society or Ozaukee County 4-H Leaders Association, any official of the show or anyone acting by, for, or through them for loss, damage, or injury to any property, animal, or person resulting from any cause. Neither the Ozaukee County Agricultural Society, nor the Ozaukee County 4-H Leaders Association, Ozaukee County Livestock Association, or any of their officers or employees will be in any way held responsible for any loss or damage that may occur to any livestock exhibited. All livestock exhibited shall be at the sole risk and responsibility of the exhibitor.

FRAUD

The Livestock Association Board reserves the right to withhold the premiums awarded in any case in which it shall appear that the regulations have not been complied with, or that fraud or deception has been practiced or attempted. Payment for beef, swine, and lambs sold in the auction for processing at local packing plants will not be made until carcasses have been inspected or livestock have been resold through commercial sales channels. Any carcass showing evidence of ante mortem tampering will be paid for in accordance with their market worth regardless of the auction price of the live animal. Ribbons and prizes awarded on such animals shall be forfeited and the exhibitor shall be banned from future showing.

PAYMENT

Payment for auctioned animals will be mailed to exhibitors within three weeks of fair, after 'Thank You' letters are turned in (see page 4f). Livestock Association commission and the Federal Market Order assessments will be deducted. All checks must be cashed by **December 31, 2024**.

COMPLAINTS

Any complaints regarding the eligibility of entries shall be filed in writing. This complaint must be filed by an exhibitor or Livestock Association species representative. There is a \$5 charge, which must be paid when filing such complaint. Complaints will then be considered by the Livestock Association Board. Before any exhibitor is disqualified, he or she shall be granted the right to meet with the Board on the potential disqualification. Matters related to the Agricultural Society rules will be referred to the species superintendent.

DRUG HISTORY

Exhibitors must certify that the animal has not received or been treated with drugs, tranquilizers, diuretics, steroids, antibiotics/other substances without following current withdrawal procedures.
