Educator's Report

May 16th, 2024

To: Ozaukee County 4-H Leaders Association

From: Colleen Machut, Ozaukee County 4-H Program Educator

Progress Report: Hello everyone! I have enjoyed the past almost-four-months in my position as 4-H Program Educator for Ozaukee. Thus far, I have visited seven community clubs and several projects. If I have not visited your club yet, I will be reaching out to you soon to schedule a date. I have started to incorporate youth and parent surveys into club visits and I am compiling results of the surveys and needs assessment interviews. My goal is to have a report ready to share with 4-H members by midsummer. There are still some club and project leaders I need to reach out to for some more conversations regarding 4-H strengths, opportunities for improvement, and needed resources. If you are one of the leaders with whom I have not yet spoken, I will be reaching out to you in the near future to invite you to schedule a conversation. I am enjoying working alongside volunteers and youth to plan and support upcoming programs such as our 4-H summer camps. It has been a pleasure getting to know many of you, and I look forward to our continued collaboration together. Thank you for your support and dedication!
