

Ozaukee County Fairgrounds Reservations – Process Overview

March 11, 2025

NEW! Fairgrounds Reservations are going DIGITAL!

Effective immediately, 4-H leaders must submit this [Google Form](#) to reserve the Ozaukee County Fairgrounds space for upcoming events. Once you've submitted the form, county staff will review it and either approve your requested date(s) or, if unavailable, propose alternatives.

Please note:

Primary Contact: Melissa Alexander remains your main point of contact for reservations at the OC Fairgrounds. (malexander@ozaukeecounty.gov)

Mandatory Form Submission: Events will not be approved unless submitted through this new system.

Previously Approved Events: Any previously approved events remain valid, but all **new reservations** must follow the updated process.

Need Help?: If you encounter issues using the form, please contact Abi Quinlan (abi.quinlan@wisc.edu/414-335-6008) for assistance.

Thank you for your cooperation as we streamline the reservation process and continue to provide smooth scheduling for all 4-H activities.
